## **The Deep Kill:**

Killing the Deep State Jerome R. Corsi. Ph.D.,2018-02-20 The truth behind how well funded hard left extremists the mainstream media and Obama Clinton holdovers in the government bureaucracy have combined with clandestine forces within the US intelligence apparatus the Deep State to block and undermine Trump s every move At 2 45 a m ET on Nov 8 2016 television networks announced to a stunned nation that Pennsylvania s 20 electoral had gone for Donald Trump making him the president elect of the United States defying all odds in a surreal victory that sent the Deep State into an immediate sense of panic By dawn on Nov 9 2016 the Deep State forces that expected Hillary Clinton to continue the leftist politics of Barack Obama were already planning Donald Trump s demise What emerged from the hard left was a political strategy calculated to block Donald Trump from being inaugurated and if that failed to make sure Donald Trump would not long serve out his term as 45th President of the United States Investigative journalist and conspiracy expert Jerome Corsi goes into shocking detail about how this Deep State or Shadow Government secretly wields power in Washington and why the Deep State is dangerous capable of assassinating Trump if efforts to impeach him or to force him to resign fail Corsi will also define a three point strategy Trump as a political independent opposed both by Democratic Party enemies and GOP establishment must employ to stay in office and have a chance of a successful first term in office Deep Kill Malcolm Shuman,M. K. Shuman,2014-07-15 Micah drifts into the underworld for the sake of a wrongfully accused friend Micah Dunn knows Calvin Autry to be an honest man He s also a fighter persevering with his mechanic s shop even after his wife left him and his business turned sour But today he is a broken man A neighborhood child has accused him of child molestation and Calvin begs Micah to clear his name A private detective whose time in Vietnam taught him how to fight dirty Micah knows that proving Calvin s innocence will require him to fight dirtier than he ever has before Calvin s enemies include dissatisfied customers a scheming landlord and a rival mechanic out to destroy what s left of the Autry shop But as Micah digs into Calvin s past he finds his friend is not as honest as he appears He may not be a child molester but Calvin Autry could be guilty of something just as evil *The Deep Sleep* Wright Morris,1975-01-01 Judge Howard Potter one of the most respected and influential citizens of a suburban town outside of Philadelphia lies dead after a long and wearying illness He is survived by the five people who knew him best and whose lives were deeply influenced by him Through the thoughts and reminiscences of these five very different people Mr Morris tells his story His writing is occasionally obscure but always absorbing He does not like so many writers hover omnisciently over his characters He prefers to project himself into their innermost and very human thoughts and emotions leaving the reader to draw his own conclusions Mr Morris writes with wit taste and refreshing originality William Murray Saturday Review Mr Morris is a master of the exact phrase the homely illuminating detail and it is no accident that he is an excellent photographer His writing is simple but his method is as complete as his subject matter so he uses the multiple flashback the melting of past into present E M Scott New York Herald
