questions her partner John Quincannon has to unravel are not difficult Wrixton a wealthy banker has met his extortionist's first demand but the order to pay another 5 000 is too much to face The banker's real problem is something he doesn't want to reveal That was fine with the detective and when he was informed that some private letters were involved and Wrixton absolutely needed them back there was nothing more Quincannon needed in the way of background As with so many of San Francisco's elite the bedroom doors never seemed to stay shut That was the easy part far more difficult was the matter of the dead courier murdered most foully in a locked room within a locked room creating a trail that will take John Quincannon through most of San Francisco's less savory places and end with a riverboat trip that is anything but a relaxing cruise The Dangerous Ladies Affair is the next thrilling installment in this charming historical mystery series from MWA Grand Masters Marcia Muller and Bill Pronzini      *Rating the First Ladies* John B.
