Bottom Line Richard Sapir, Warren Murphy, 1979 **The Mystery Fancier** William F. Deeck, 2008-08-01 A bibliography of various mystery novels published between November 1976 and Fall 1992 Bottom Line Richard Sapir, Warren Murphy, 1981 **Serial Vigilantes of Paperback Fiction** Bradley Mengel, 2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's *The Executioner* in 1969 This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton's novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured **The Allied Defense of the Malay Barrier, 1941-1942** Tom Womack, 2015-12-01 Though few realize it the Netherlands East Indies were the object of Japan's attack on Pearl Harbor in December 1941 Likewise their invasions of Guam Wake Island and the Philippines were mainly diversionary operations to safeguard their main assault on Dutch and British colonies Since the end of World War I Japan had coveted the vast East Indies oil reserves and the colony had feared invasion since Germany overran Holland in May 1940 Isolated politically the weakly defended archipelago was a tempting prize The East Indies government initially maintained a strict policy of neutrality while desperately working to build up its military strength As Japanese actions pushed the region toward war the Dutch reluctantly embraced closer ties with America and Britain For a brief period the East Indies were key players in Pacific War strategy This book details for the first time in English the Dutch prewar strategy their efforts to counter Japanese espionage and their sizable though largely forgotten military contribution in the early months of the Pacific War **The Atlantean Horror** Joseph R. Rosenberger, 1985 *Dictionary of American Naval Fighting Ships: Historical sketches: Letters N through S. Appendices: Submarine chasers (SC), Eagle-class patrol craft (PE)* United States. Naval History Division, 1959 *Sensible Leadership* Nicolas Majluf, Nureya Abarca, 2021-03-09 This Leadership book is part of the Human Centered Book Trilogy the 2021 volumes of the Routledge Human Centered Management HCM Series HCM books are pioneering transformation from the traditional humans as a resource approach of the industrial past to the humans at the center management and organizational paradigm of the 21st century HCM is built on the talent and wellbeing of people in the workplace driving work engagement quality standards high performance and productivity for long term organizational sustainability in the global VUCA volatile uncertain complex ambiguous environment This book was carefully crafted by recognized human centered scholars emphasizing the need for a new type of leader responsive to challenges of the knowledge age global connectivity and instant communications The book displays a comprehensive framework for the transformation of common individuals into sensible leaders with high capacity to improve

organizational culture using Soft Skills to meet critical responsibilities Sensible leaders are human centered insightful prudent focused on the needs and feelings of followers They are integral and ethical leaders serving as guides coaches and mentors not forcing followers but perceiving clues and responding promptly to solve organizational challenges They perform honorably in personal and work environments always caring for the common good This and its two complementary titles Human Centered Organizational Culture Global Dimensions and Soft Skills for Human Centered Management and Global Sustainability are timely readings for leaders managers researchers academics practitioners students and the general public working in organizations across industries and sectors worldwide pursuing quality standards organizational transformation and sustainability Dictionary of American Naval Fighting Ships ,1976 **Brooklyn Daily Eagle Almanac** ,1922

Naval Power in Action Brent Droste Sadler,2025-09-02 *Naval Power in Action* focuses attention to the United States current competition with China laying out a case for acting in three areas strengthen the homeland to economic coercion modernize and reorganize institutions to successfully compete and winning the positional fight with China over markets and military posture Amongst duck hunters there is a saying that describes our nation s current predicament in the competition with China shooting behind the duck It means that the actions our leaders have been taking for many years have been reactive and ineffective said another way missing their mark To correct this requires adjusting for the target s China s reaction and anticipating its course to aim for an interception point This book aims to inform a near term within four years approach to lead in this competition with China And there is not much time to begin getting the aim right This book refines ideas in Brent Sadler s first book U S Naval Power in the 21st Century and focuses attention to the present laying out a case for acting in three areas strengthen the homeland to economic coercion modernize and reorganize institutions to successfully compete and winning the positional fight with China over markets and military posture Achieving success in these three areas all requires urgent action with effects following in waves increased maritime presence followed by improvements in national industrial resiliency and capacities Doing this requires acting with what is at hand to deter China while setting the conditions for a sustained competition well into the future Bore sighting on China while necessary can be dangerous if it blinds the nation to other dangers our nation must be prepared and armed to be able to chew gum and walk as often eloquently stated by our political leaders Top of the to do list bolstering our economy s defense to coercion via a variety of vectors cyber sanctions direct attacks Most urgent is addressing the paucity of shipping on which the nation s economy floats This book is a roadmap for how to accomplish this complex task with urgency and effectiveness Backbonology David P. Bugay Ph.D.,2018-07-20 Leadership means having a backbone and there s nothing better to illustrate its detailed framework than the actual vertebrae of the human spine David P Bugay PhD also known as Doc D drives that simple concept home in this guidebook that will help leaders and everyday people make tough decisions The author draws on many of his own experiences to share coaching suggestions and his words are so clear and concise that you ll be able to engage in the

behavior he suggests Learn how to improve the way you show up to the world every day develop strength power integrity and compassion and harness natural strengths in making decisions Our workplace has radically changed in recent decades and concerns about employee engagement productivity and well being has placed a premium on selecting and developing leaders Be the leader you ve always wanted to be by learning the lessons in Backbonology The Dragon Slayers Rich Rainey,1985 **Annual Report of the Paymaster General of the Navy for the Fiscal Year ... ,1940** *US Navy Ships vs Kamikazes 1944-45* Mark Stille,2016-09-22 The ineffectiveness of conventional air attacks on US Navy surface ships particularly heavily defended targets like carrier task groups forced the Japanese to re evaluate their tactics in late 1944 The solution they arrived at was simple crash their aircraft into American ships This notion of self sacrifice fit well within the Japanese warrior psyche and proved terrifying to the American sailors subjected to it These tactics brought immediate results and proved effective until the end of the war This book examines this terrifying new way of waging war revealing how the US Navy was forced to adapt its tactics and deploy new weapons to counter the threat posed by kamikaze attacks as well as assessing whether the damage caused to American naval strength by the loss of so many pilots and aircraft actually had a material impact **The Last Century of Sea Power, Volume 2** H. P. Willmott,2010-03-22 An important contribution a thoughtful account of the years preceding the Second World War and at much greater length of the war itself History In this second volume of his history of naval power in the 20th century H P Willmott follows the fortunes of the established seafaring nations of Europe along with two upstarts the United States and Japan Emerging from World War I in command of the seas Great Britain saw its supremacy weakened through neglect and in the face of more committed rivals Britain s grand Coronation Review of 1937 marked the apotheosis of a sea power slipping into decline Meanwhile Britain s rivals and soon to be enemies were embarking on significant naval building programs that would soon change the nature of war at sea in ways that neither they nor their rivals anticipated By the end of a new world war the United States had taken command of two oceans having placed its industrial might behind technologies that further defined the arena of naval power above and below the waves where stealth and the ability to strike at great distance would soon rewrite the rules of war and of peace This splendid volume further enhances Willmott s stature as the dean of naval historians Praise for The Last Century of Sea Power series The author dean of naval historians provides a sweeping look at and analysis of the transformation of naval power Willmott is fearless in his judgments Seapower H P Willmott is the finest naval historian and among the finest historians of any discipline writing today Bernard D Cole author of The Great Wall at Sea **Congressional Record** United States. Congress,1984 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Royal Navy Home Fleet 1939-41** Angus

Konstam,2024-03-28 Packed with illustrations this is a new history and analysis of how the Royal Navy s most important fleet operated and fought the German Navy in the crucial first years of World War II Throughout its history the Royal Navy s most powerful fleet has been the one guarding home waters In this book naval historian Angus Konstam explores the fighting power the roles and the battles of the Home Fleet in the crucial first years of World War II when it was Britain s most powerful fighting force anchored in the northern bastion of Scapa Flow He explains the complex responsibilities of the fleet charged simultaneously with preventing the powerful German Navy from breaking out into the Atlantic preparing to challenge any cross Channel invasion force and attacking German naval operations in the North Sea Home Fleet actions included the loss of HMS Hood the sinking of the Bismarck and countering the invasion of Norway Germany s biggest amphibious operation of the war Packed with striking new artwork and 3D diagrams and maps this book offers a detailed portrait of the Home Fleet during these most crucial years of the war from the capabilities of the warships to logistics and intelligence gathering to how the fleet was organized and commanded and how and why it fought as it did **Naval Ordnance and Gunnery** United States Naval Academy. Department of Ordnance and Gunnery,1955 **Paperbound Books in Print** ,1984
