The Developing Labor Law Vols 1 And 2 Student Edition:

Globalization and Labour in the Asia Pacific John Benson,Chris Rowley,2018-12-07 Globalization and labour market deregulation have had an impact on employment and workers and brought pressure to bear on trade unions This study looks at the challenges of globalization and deregulation in the Asia Pacific and possible responses to them in a variety of ways

Women and Recession (Routledge Revivals) Jill Rubery,2010-10-18 Originally published in 1988 this book compiles a collection of works investigating the impact of recession on women s employment The authors argue that the most important explanation of differences in women s experience between the countries is the form of labour market regulation and organisation They point out that current changes in these forms of regulation and not displacement of female labour pose the main threat to any gains that women have made in the labour market in the post World War II period
