**THE DEVIL'S DOUBLE** Latif Yahia, In 1987 Latif Yahia was taken to Saddam s headquarters to meet Uday Saddam s eldest son and told that a great honour has been bestowed upon him that because of the great likeness between them he had been chosen to be Uday s double For many Iraqis it would have been the highlight of their lives but for Latif a peace loving man who did not agree with Saddam s brutal regime it was not He refused Following a week of torture and realising he would be killed if he continued to refuse Latif was forced to accept the role After a gruesome training programme during which he was made to watch over thirty films of torture hours of tapes of Uday and undertake a final remodelling of his appearance Latif was deemed ready But it was only after the final test a meeting with Saddam himself that Latif made his first public appearance And so began his life as Uday s double a life on the perimeter of the inner circle of Saddam s eldest

son a witness to the horror of his insane life of debauchery excess and brutality and an experience for which he almost paid with his life on more than one occasion THE DEVIL S DOUBLE is the first of 3 autobiographical books chronicling Latif Yahia s incredible life story It vividly describes how Latif was forced to become Uday Hussein s fidai body double and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime Latif survived assassination attempts and witnessed Uday s psychotic temper rapes orgy parties torture atrocities and sadistic murders The book has recently been made into a highly acclaimed movie THE BLACK HOLE gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq How he was treated by western governments and the CIA How Uday sought revenge on Latif and vice versa How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif s Saudi princess lover How Latif made and lost a fortune How he strived in vain for a peaceful life and survived 4 more assassination attempts Forty Shades of Conspiracy brings Latif s story right up to date by detailing his time in Ireland His run ins with drug dealers Corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship His despair as a beggar on the streets and the happiness he found after he met the love of his life His reaction to Uday and Saddam s deaths and his opinion on the current political situation in Iraq all makes fascinating reading Book Description In 1987 Latif Yahia was taken to Saddam s headquarters to meet Uday Saddam s eldest son and told that a great honour had been bestowed upon him that because of the great likeness between them he had been chosen to be Uday s double For many Iraqis it would have been the highlight of their lives but for Latif a peace loving man who did not agree with Saddam s brutal regime it was not He refused Following a week of torture and realising he would be killed if he continued to refuse Latif was forced to accept the role After a gruesome training programme during which he was made to watch over thirty films of torture hours of tapes of Uday and undertake a final remodelling of his appearance Latif was deemed ready But it was only after the final test a meeting with Saddam himself that Latif made his first public appearance And so began his life as Uday s double a life on the perimeter of the inner circle of Saddam s eldest son a witness to the horror of his insane life of debauchery excess and brutality and an experience for which he almost paid with his life on more than one occasion A note from the Author This book was written in 1992 originally it was 1 000 pages long with even more facts and details than contained in the pages herein because of it s size the original publisher trimmed it down to the 300 or so pages that it is today After the fall of Saddam Hussein and his regime in 2003 the facts in this book were confirmed Many of Uday Hussein s employees found new masters over the years since my flight from Iraq some work for the US intelligence services some for the UK but no matter how they may try to discredit me and my story the facts remain and as you now know I had already put them on paper in 1992 eleven years before the regime fell I did not have a crystal ball to know all these things I knew them because I was there that was my life Uday s employees have admitted in the Western media to being Pimps for him they also admit to working as spies against him for the US and the UK intelligence services in return for citizenship of the respective country what I ask is this If a man

is willing to sell women to a man that he knows to be a sadist if he is willing to sell his country and himself is it not then conceivable that he will sell his soul and say anything for money I have paid a high price for my refusal to co operate with the intelligence services the CIA in particular after twenty years in the West I am still stateless I cannot return to Iraq because the new Government consider me a colaborator of the Hussein regime although while they were in opposition to Saddam they found my book to be a useful tool against him and his regime Saddam while in power considered me a traitor I do not regret my decision to leave Iraq or write my story but I have not found the Western governments to be as open and democratic as they were portrayed to us in the Middle East In my search for a new counry to call home I have found that those whose story is a fabrication are given the protection of the state as they are no threat money is their only goal in life so they will not rock the boat while I who have an opinion and voice it openly that is probably my biggest problem am ignored refused and while not told to leave am not made especially welcome either I am tolerated I do not nor did I ever seek fame I have not made money from my story and if I do it will go to charity It amuses me how the tables turn when Saddam was in power my book was held up in the US Congress and given as a reason for Saddam s removal now that Saddam is gone those that once used my story for their benefit have tried to denounce me I have been interviewed by the world s biggest and best names over 1 800 TV Print and Radio journalist s who do their research and know who to ask for opinion the old guard who took pride in their work and valued their reputation While there are still some true journalists out there many work to order if their editor wants a specific story they make it true or not there is no oversight Although it was never my intention this book has been used as propaganda for the War on Iraq my intention when I wrote it was to open the eyes of the world to the horrors and atrocities committed by the regime and to spur the Iraqi people into action It will always disturb me that the Iraqi people never had a chance to participate in The Arab Spring and depose Saddam and his regime themselves It may be a very different place today if they had had the chance to do so Best regards to all Latif Yahia      **THE DEVIL'S DOUBLE**

Michael Thomas,2011      *The Black Hole,This book is a sequel to The Devil's Double, which was made into a feature film of the same name* Latif Yahia,2014-03-31 Book Description The Black Hole has been banned in Ireland and USA Book Shops is the next chapter in the extraordinary and chilling life story of author Latif Yahia Having escaped the brutal Iraqi regime through Northern Iraq with the help of the CIA in 1992 Latif touched down in Austria Having family in the pristine and picturesque city of Vienna Latif is somewhat reassured that his life will be calmer now without Uday Saddam Hussein and his hedonistically violent lifestyle Alongside Latif is Nusa a hired girl a plaything and ego boost for her Baghdadi clientele although she has never been mentioned in Latif s past works the reasons for her concealment become apparent as the story unfolds Unfortunately life was never to become the idyll that Latif desired his knowledge or perceived knowledge of the inner Iraqi regime was to become his saviour and his tormentor This left him chained and unable to move forward as much as he wished to forget his handlers wanted to know more Latif became almost a prized item in the world of International

Intelligence with nearly all of the world's Intelligence agencies vying for his allegiance his pleas for neutrality and normality unheard Ultimately Latif was to pay the price for his uncooperative stance ten and a half months were spent in a covert Austrian CIA prison cell in solitary confinement until by chance his freedom was assured by a visiting judge One would think that after such events Latif's life may take a quieter turn this was not to be the case the game of cat and mouse that played out across the breadth of Europe was interspersed by the tragic death of Latif's beloved father several assassination attempts and the murder of his first real love a Saudi Arabian Princess Latif Yahia's previous books have sold over one million copies worldwide in twenty languages *The Devil's Double. *Life Death* Jacques Derrida, 2023-06-19 The seventh in our series of Derrida's seminars Life Death provides interdisciplinary reflections on the relationship of life and death now in paperback One of Jacques Derrida's most provocative works Life Death deconstructs a deeply rooted dichotomy of Western thought life and death In rethinking the relationship between life and death Derrida undertakes a multi disciplinary analysis of a range of topics across philosophy linguistics and the life sciences Derrida gave this seminar over fourteen sessions between 1975 and 1976 at the cole normale sup rieure in Paris to prepare students for the agr gation a notoriously

competitive exam The theme for the exam that year was Life and Death but Derrida made a critical modification to the title by dropping the coordinating conjunction The resulting title of Life Death poses a philosophical question about the close relationship between life and death Through close readings of Freudian psychoanalysis the philosophy of Nietzsche and Heidegger French geneticist François Jacob and epistemologist Georges Canguilhem Derrida argues that death must be considered neither as the opposite of life nor as the truth or fulfillment of it but rather as that which both limits life and makes it possible Derrida thus not only questions traditional understandings of the relationship between life and death but also ultimately develops a new way of thinking about what he calls life death
