The Devils Mouth:

The Devil's Mouth Nigel Robinson, 1993-03-01 *Out of the Devil's Mouth* Travis Thrasher, 2008-04-01 Henry Wolfe has a penchant for finding trouble Or more precisely trouble usually finds him It is the late 1920 s and Wolfe a traveling reporter self proclaimed adventurer is hired to go on a mission deep into the dubious jungles of Venezuela Several months earlier the son of a wealthy family disappeared during his search for a lost tribe who reportedly had found the key to eternal life Wolfe is a last minute replacement on the team to go find and extricate the son no matter what No white man has ever gone down this Venezuelan river path and returned alive Local tribesmen and predators lurk in the leafy shadows as Henry and his team fight for their lives **The Devil's Mouth Site** LeRoy Johnson, 1964 *The Devil's Mouth* Thomas Myron Williams, Thomas Williams, 2001 When political conspirators murder his father Prince Lanson of Lochlaund flees for his life He falls in love with a beautiful tavern maid who is hiding from the moral condemnation of the powerful Lochlaund church which has a stranglehold on the kingdom Ultimately Lanson must decide whether to release her to the church s legalistic justice or defy the church and save her life by wedding her This mythical story of freedom justice and forbidden love is the second book in *The Seven Kingdoms Chronicles* *Satan's Rhetoric* Armando Maggi, 2001-09 Reading innumerable treatises on demonology written during the Renaissance including *Thesaurus exorcismorum* the most important record of early modern exorcisms Maggi finds repeated attempts to define the language exchanged between the fallen progeny of Adam and the most notorious fallen angel of them all Satan Using points of departure taken from de Certeau and Lacan Maggi shows that Satan articulates his language first and foremost in the mind More than speaking the devil tries to make human beings understand his language and speak it themselves **Timothy of the Cay** Theodore Taylor, 2007 A companion to Taylor s bestselling modern classic *The Cay* this prequel sequel tells the rest of the story of Phillip a young white boy and Timothy an old black man who become stranded on a small sandy cay in the Caribbean **The Warnings of the Eternal Spirit Spoken by the Mouth of ... A. W.... With a Preface by R. Bulkeley, Etc** Abraham WHITRO, 1709 *Stages of Evil* Robert Lima, 2005-12-23 The evil that men do has been chronicled for thousands of years on the European stage and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater Early writers used theater to communicate human experiences and to display reverence for the gods governing daily life Playwrights from Euripides onward sought inspiration from this interplay between the worldly and the occult using human belief in the divine to govern characters actions within a dramatic arena The constant adherence to the supernatural despite changing religious ideologies over the centuries testifies to a deep and continuing belief in the ability of a higher power to interfere in human life *Stages of Evil* is the first book to examine the representation and relationship of evil and the occult from the prehistoric origins of drama through to the present day Drawing on examples of magic astronomy demonology possession exorcism fairies vampires witchcraft hauntings and voodoo author Robert Lima explores how theater shaped American and European

perceptions of the occult and how the dramatic works studied here reflect society back upon itself at different points in history From representations of Dionysian rites in ancient Greece to the Mouth of Hell in the Middle Ages to the mystical cabalistic life of the Hasidic Jews to the witchcraft and magic of the Elizabethan and Jacobean stage Lima traces the recurrence of supernatural motifs in pivotal plays and performance works of the Western tradition Considering numerous myths and cultural artifacts such as the wild man he describes the evolution and continual representation of supernatural archetypes on the modern stage He also discusses the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered Delving into his own theatrical literary folkloric and travel experiences to enhance his observations Lima assays the complex world of occultism and examines diverse works of Western theater and drama A unique and comprehensive bibliography of European and American plays concludes the study and facilitates further research into the realm of the social and literary impact of the occult
