I Hated, Hated, Hated This Movie Roger Ebert,2022-05-24 The Pulitzer Prize winning film critics offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself I Hated Hated Hated This Movie is a collection of more than 200 of Ebert s most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they re charging to get in it s worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you ve ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It s appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It s so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you re sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don t know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you ll want to distance yourself from but Roger Ebert s creative and comical musings on those

films make for a book no movie fan should miss Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of Nightmare Movies has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers Nightmare Movies is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye Bizarre Weather Joanne O'Sullivan, 2013-02-01

This is weather beyond your wildest imagination yet it's all true showers of worms from the sky watermelon snow gory storms and other freakish and fun phenomena These stories are anything but ordinary and they will leave you stunned horrified amazed and sometimes even amused at the incredible things nature can do Gathered from historic records present day news reports and research studies and spanning the globe from the Sahara to the tundra to the USA they reveal just how volatile and bizarre weather can be Find out about supersized hailstones as big as bowling balls fish raining from the sky the never ending lightning that has become a UNESCO National Heritage Site and fog so thick it killed hundreds of people in a single day And if that isn't strange enough for you there are terrible typhoons and tsunamis tornadoes that have carried people into the air temperatures that soared over 49 degrees in two minutes and even cyclones that have raised ships buried for over a century Scientists can explain how and why some of these things happen but other events remain a mystery

Born with a Tail Doug Brod, 2024-10-08 A provocative irreverent biography of Anton Szandor LaVey founder of the Church of Satan BORN WITH A TAIL chronicles a time when Americans welcomed a macabre showman into their living rooms via The Tonight Show before a ginned up hysteria known as the Satanic Panic would put a target on his shiny shaven head When Anton LaVey burst onto the San Francisco scene right before the Summer of Love he parlayed his eerie obsessions into a philosophy and lifestyle that capitalized on a New Age rage With his signature cape horn studded hood and Ming the Merciless beard LaVey was a media savvy provocateur who took what he did seriously but was always in on the joke From a spooky old house on an otherwise unremarkable street he founded the Church of Satan where young women squirmed nude on the mantel of his ritual chamber as he delivered a doctrine of self deification and indulgence that combined the writings of Ayn Rand Friedrich Nietzsche and Aleister Crowley with the pulpy fictions of H P Lovecraft and Robert E Howard Later his bestselling book The Satanic Bible still in print since 1969 struck an ominous chord with both the hip and the alienated the fringe dwellers who were goth before there were goths But LaVey's influence could be felt far beyond his flock namely in the nightmarish and supernatural entertainment that dominated pop culture in the 1970s and continues to make an impact today He was a musical prodigy who attracted a cluster of stars into his orbit including Jayne Mansfield and Sammy Davis Jr But living like a real life Gomez Addams complete with a full grown pet lion came at an awful price Deeply researched and featuring dozens of new interviews as well as recently unearthed personal correspondence and church records BORN WITH A TAIL The Devilish Life and Wicked Times of Anton Szandor LaVey Founder of the Church of Satan separates the facts from the fabrications of this uniquely American character's extraordinary life
