

BOOK REVIEW:

**THE
SEDUCER'S
DIARY**

by Søren Kierkegaard

The Diary Of A Seducer

Søren Kierkegaard

The Diary Of A Seducer:

The Seducer's Diary Søren Kierkegaard, 2007-08-02 Johannes is an aesthete dedicated to creating the possibility of seduction through the careful manipulation of young women He stealthily pursues the innocent Cordelia until she becomes increasingly drawn to him But when she is ready to give herself completely she realizes she may have got everything wrong United by the theme of love the writings in the Great Loves series span over two thousand years and vastly different worlds Readers will be introduced to love s endlessly fascinating possibilities and extremities romantic love platonic love erotic love gay love virginal love adulterous love parental love filial love nostalgic love unrequited love illicit love not to mention lost love twisted and obsessional love **The Diary of a Seducer** Søren Kierkegaard, 2009 An intriguing investigation into love and manipulation from Kierkegaard s masterpiece Either Or **Seducer's Diary** Spataro Roberto Nicodemo (author), 1901

Diary of a Seducer Søren Kierkegaard, 2006-02-20 Diary of a Seducer records Johannes s discovery of a girl with the Shakespearean name Cordelia whom he sets out to control Intricately meticulously cunningly the seduction proceeds No detail is too small to escape Johannes She sits on the sofa by the tea table and I sit on a chair at her side This position has an intimate quality and at the same time a detaching dignity Less erotic than an intellectual depiction of seduction Diary of a Seducer shows the casuist Kierkegaard in what he characterized as the aesthetic mode A new introduction by Michael Dirda puts this influential novella into high relief *The Seducer's Diary* Søren Kierkegaard, 2013-04-21 In the vast literature of love The Seducer s Diary is an intricate curiosity a feverishly intellectual attempt to reconstruct an erotic failure as a pedagogic success a wound masked as a boast observes John Updike in his foreword to S ren Kierkegaard s narrative This work a chapter from Kierkegaard s first major volume Either Or springs from his relationship with his fianc e Regine Olsen Kierkegaard fell in love with the young woman ten years his junior proposed to her but then broke off their engagement a year later This event affected Kierkegaard profoundly Olsen became a muse for him and a flood of volumes resulted His attempt to set right in writing what he feels was a mistake in his relationship with Olsen taught him the secret of indirect communication The Seducer s Diary then becomes Kierkegaard s attempt to portray himself as a scoundrel and thus make their break easier for her Matters of marriage the ethical versus the aesthetic dread and increasingly the severities of Christianity are pondered by Kierkegaard in this intense work *Speech and System* Peter Bornedal, 1997 In this investigation creative writing and philosophy are shown to be specific types of language games distinct from speech as used in communicative interaction between individuals The author deals with thinking speech and systems respectively I Thinking is understood as a soliloquy preceding any kind of creative activity and any kind of writing The author analyses thinking as a subject s listening to its own voice with a split between I and me close to Derrida s notion of difference as a condition for the production of meaning II Analyzing with reference to Benveniste Austin and Searle what speech is the author deduces the so called pragmatic subject in contrast to the first section s reflective In its elementary speech act the pragmatic subject does

constitute itself in rudimentary ways III In dealing with the product of reflective activity the author finds the so called textual inconsistency or logical aporias inherent in any logical or pseudo logical system to be in line with Goedel s incompleteness theorems and he rejects the tendency to use deconstruction to understand these aporias as is usual in Western metaphysics The author s philosophical position is closest to that of Paul Ricoeur and Jacques Derrida but on crucial issues he advances his own ideas on the relationship between speech and writing also establishing a criticism of metaphysics that may be more radical than what has previously been developed Diary of a Seducer David A. Blyler,1996 **Feminist Interpretations of Søren Kierkegaard** Céline Léon,Sylvia Walsh,2010-11-01 Even though Kierkegaard insisted on the fundamental equality of the sexes before God his entire production is highly problematic for feminism To a great degree this is due to his tendency to write under a pseudonym In this collection of 14 articles contributors take varying stands on the question of whether Kierkegaard s work was indicative of misogyny or misogamy Topics of discussion include Kierkegaard s notion of the double nature of woman and of the silent woman his idea of masculine indifference and his use of irony in his critique of the feminine Paper edition unseen 17 95 Annotation copyrighted by Book News Inc Portland OR **Between Nihilism and Faith** Karsten Harries,2010-03-26 If the Enlightenment turned to reason to reoccupy the place left vacant by the death of God the history of the last two centuries has undermined the confidence that reason will bind freedom and keep it responsible We cannot escape this history which has issued in a pervasive nihilism and has rendered all appeals to the ethical questionable Nor could Kierkegaard The specter of nihilism haunts all of his writings as it haunts already German romanticism to which he is so indebted To exorcize it is his most fundamental concern And it is the same fundamentally religious concern that makes Kierkegaard so relevant to our situation What today is to make life meaningful If not reason does the turn to the aesthetic promise an answer To really choose is to bind freedom Either Or calls us to make such a choice i e to be authentic But what does it mean to be authentic How are we today to think of such an authentic choice As autonomous action As a blind leap As a leap of faith Either Or circles around these questions Either/or Robert L. Perkins,1995 In Either Or Part One Kierkegaard presents what he calls the aesthetic form of life There he focuses on a large variety of the stereotypical views of women from a sentimental and whining appraisal of her position in the world through the view that sexual exploitation is an uncontrollable natural instinct and or drive for which men are not morally responsible to the view that woman is a jest not to be taken seriously as a moral and responsible being and then that she is just there as a sexual object or plaything to be reflectively seduced on the male s terms and for his pleasure or rejection whatever suits him at the moment Needless to say this great variety of views of the uses of woman has provoked a large critique and just as predictably that critique is as varied as the intellectual tools available for the analysis of a work that is as literary as it is philosophic The present collection of essays treats these and many other of the most important issues raised in Either Or in fresh and perceptive ways Even where familiar themes are argued the authors introduce innovative interpretive models new

approaches and new materials are appealed to or new rebuttal arguments against previously held positions are offered Several of the articles for instance appropriate or criticize methods or insights derived from postmodernism and or feminist philosophy an approach that would have been unlikely two decades ago **Diary of the seducer** Clancy Smith,2002

Plato's 'Symposium' Thomas L. Cooksey,2010-03-18 This is a student friendly introduction to a key text in Ancient Philosophy In many regards the dialectical counterpart of the Republic the Symposium is one of the richest and most influential of the Platonic dialogues resonating not only with Western philosophy but also with literature art and theology While Plato ostensibly dramatizes a humorous account of a drinking party he presents a profoundly serious explication of Eros that challenges the limits of reason the nature of gender identity and narrative form Plato s Symposium A Reader s Guide presents a concise introduction to the text offering invaluable guidance on historical literary and philosophical context key themes reading the text reception and influence and further reading Continuum Reader s Guides are clear concise and accessible introductions to key texts in literature and philosophy Each book explores the themes context criticism and influence of key works providing a practical introduction to close reading guiding students towards a thorough understanding of the text They provide an essential up to date resource ideal for undergraduate students **Kierkegaard and the Roman World** Jon Bartley Stewart,2009 While Kierkegaard s use of the Greek authors particularly Plato and Aristotle has attracted considerable attention over the years his use of the Roman authors has by contrast remained sadly neglected This neglect is somewhat surprising given the fact that Kierkegaard was extremely well read in Latin from his early youth when he attended the Borgerdyd School in Copenhagen Kierkegaard s interest in the Roman authors is perhaps best evidenced by his book collection In his private library he had a long list of Latin titles and Danish translations of the standard Roman authors in any number of different genres His extensive and frequent use of writers such as Cicero Horace Terence Seneca Suetonius and Ovid clearly warrants placing them in the select group of his major sources The chapters in this volume demonstrate that Kierkegaard made use of the Roman sources in a number of different ways His readings from the school seem to have stuck with him as an adult He constantly refers to Roman authors such as Livy Nepos and Suetonius for colourful stories and anecdotes In short the Roman authors serve to enrich any number of different aspects of Kierkegaard s authorship with respect to both content and form **Kierkegaard and His Contemporaries** Jon Bartley Stewart,Jon Stewart,2003 In the context of Golden Age Denmark this work looks at Kierkegaard and his relationships with his most famous Danish contemporaries It aims to see them not as minor figures labouring in Kierkegaard s shadow but rather as significant thinkers and artists in their own right The articles demonstrate both Kierkegaard s influence on his contemporaries and their varied influences upon him **European Aesthetics** Robert Wicks,2013-03-01 The only book to cover the evolution of one of the most important areas of philosophy The birth of the Enlightenment heralded a new reverence for the power of reason But as science flourished in Europe violence and brutality did not abate In the French

Revolution thousands were guillotined and the death toll was vast Philosophers asked whether we had become dehumanised by rationality and abstract political theory Did art and literature provide a way to rediscover our soul and our compassion Or could art be corrupted just as easily used as propaganda to justify abhorrent acts In this masterful survey of European aesthetics over the last two hundred years philosopher Robert L Wicks argues that it is this tension between creativity and rationality that has characterised debate in the subject Presenting the theories of sixteen seminal thinkers including Kant Nietzsche Freud and Derrida European Aesthetics shows how each philosopher's theory of art was motivated by broader topics in their thought concerning who we are and what a good society should resemble With colour photographs and written in a lively but objective tone Wicks analyses important pieces of art makes critical comparisons between thinkers and offers a bold conclusion on our contemporary aesthetic situation In an internet age where we are presented with endless opportunity but also startling existential questions this is the definitive account of the evolution of continental thought in this hugely relevant and exciting area of philosophy

The Don Giovanni Moment Lydia Goehr, Daniel Herwitz, 2006-08-08 Mozart's Don Giovanni is an operatic masterpiece full of iconic and mythical tensions that still resonate today The work redefines the terms of power seduction and morality and the resulting conflict between the aesthetic and the ethical is deeply rooted in the Enlightenment and romanticism The Don Giovanni Moment is the first book to examine the aesthetic and moral legacy of Mozart's opera in the literature philosophy and culture of the nineteenth century The prominent scholars in this collection address the opera's impact on the philosophical visions of Kierkegaard Goethe and Williams and its influence on the literary and dramatic works of Pushkin Hoffmann Melville Byron Wagner Strauss and Shaw Through a close and careful analysis of Don Giovanni's literary and philosophical reception and its many appropriations rewritings and retellings these contributors treat the opera as a vantage point from which theory and philosophy can reconsider romanticism's central themes As lively and passionate as the opera itself these essays continue the spirited debate over the meaning and character of Don Giovanni and its powerful legacy Together they prove that Mozart's brilliant artistic achievement is as potent and relevant today as when it was first performed two centuries ago

Søren Kierkegaard Joakim Garff, 2013-10-31 The day will come when not only my writings but precisely my life the intriguing secret of all the machinery will be studied and studied Søren Kierkegaard's remarkable combination of genius and peculiarity made this a fair if arrogant prediction But Kierkegaard's life has been notoriously hard to study so complex was the web of fact and fiction in his work Joakim Garff's biography of Kierkegaard is thus a landmark achievement A seamless blend of history philosophy and psychological insight all conveyed with novelistic verve this is the most comprehensive and penetrating account yet written of the life and works of the enigmatic Dane who changed the course of intellectual history Garff portrays Kierkegaard not as the all-controlling impresario behind some of the most important works of modern philosophy and religious thought books credited with founding existentialism and prefiguring postmodernism but rather as a man whose writings came to control him Kierkegaard saw himself as a vessel for

his writings a tool in the hand of God and eventually as a martyr singled out to call for the end of Christendom Garff explores the events and relationships that formed Kierkegaard including his guilt ridden relationship with his father his rivalry with his brother and his famously tortured relationship with his fianc e Regine Olsen He recreates the squalor and splendor of Golden Age Copenhagen and the intellectual milieu in which Kierkegaard found himself increasingly embattled and mercilessly caricatured Acclaimed as a major cultural event on its publication in Denmark in 2000 this book here presented in an exceptionally crisp and elegant translation will be the definitive account of Kierkegaard s life for years to come

Volume 17: Kierkegaard's Pseudonyms Katalin Nun,Jon Stewart,2016-12-05 One of the elements that many readers admire in Kierkegaard s skill as a writer is his ability to create different voices and perspectives in his works Instead of unilaterally presenting clear cut doctrines and theses he confronts the reader with a range of personalities and figures who all espouse different views One important aspect of this play of perspectives is Kierkegaard s controversial use of pseudonyms The present volume is dedicated to exploring the different pseudonyms and authorial voices in Kierkegaard s writing The articles featured here try to explore each pseudonymous author as a literary figure and to explain what kind of a person is at issue in each of the pseudonymous works The hope is that by taking seriously each of these figures as individuals we will be able to gain new insights into the texts which they are ostensibly responsible for *The Portal of Beauty* Bruno Forte,2008-10-29 A famous Italian theologian s eloquent reflections on beauty and God Beauty is an event it happens when the Whole the All offers itself to us in the fragment when the Infinite makes itself little This is how Bruno Forte describes the long held Christian tradition that sees God as the source of all beauty In *The Portal of Beauty* Forte examines the deep though not always obvious contribution of theological thought from the minds of such luminaries as Augustine Aquinas Kierkegaard Dostoevsky Balthasar and Evdokimov to our understanding and experience of beauty *The Portal of Beauty* is an erudite moving and deeply felt study by the most famous Italian theologian in Italy on the nature of beauty and how it can lead us to a greater understanding of and communion with the divine Søren Kierkegaard Elmer H. Duncan,2016 S ren Kierkegaard 1813 1855 little known or read outside of Denmark in his own day has come to be widely appreciated for his affirmation of the Christian faith and his critique of the human condition He is responsible for one of the major currents of twentieth century thought existentialism which emphasizes the priority of existence over essence Christian existentialism appropriated his insights for theology and ethics stressing human experience freedom and the commitment of faith Elements of his approach are found in Karl Barth Paul Tillich Emil Brunner Rudolf Bultmann Reinhold Niehuhr and Karl Rahner Kierkegaard tried to clarify for his contemporaries the nature of Christianity stressing that no philosophical system could explain the human condition He emphasized the subjectivity of truth and could not refrain from attacking the cold formality and indifference of the state church of his day In this book Dr Duncan guides the reader critically and skillfully through Kierkegaard s life and works Book jacket

This is likewise one of the factors by obtaining the soft documents of this **The Diary Of A Seducer** by online. You might not require more get older to spend to go to the book creation as skillfully as search for them. In some cases, you likewise complete not discover the notice The Diary Of A Seducer that you are looking for. It will unquestionably squander the time.

However below, as soon as you visit this web page, it will be consequently agreed simple to get as competently as download guide The Diary Of A Seducer

It will not acknowledge many time as we notify before. You can complete it though conduct yourself something else at home and even in your workplace. hence easy! So, are you question? Just exercise just what we have enough money under as skillfully as evaluation **The Diary Of A Seducer** what you in imitation of to read!
