**Jane Ellice**

## **The Diary Of Jane Ellice:**

**The Diary of Jane Ellice** Jane Ellice,1975 In April 1838 the Hastings set sail from Portsmouth bound for Quebec On board was a man who by virtue of his Report on the affairs of British North America was to become one of the most influential figures in Canadian history With Lord Durham and his party was a young woman named Jane Ellice then still in her twenties and newly married to Edward Ellice Durham s private secretary Janee Ellice or Janie as she was known to her family and friends spent almost seven months in the colony chiefly at the Ellice seigniory near Beauharnois She made a trip to Washington by stage river boat and train and before she left for home at the end of November endured a terrifying siege at the hands of the supporters of Louis Joseph Papineau All this time she kept a lively personal diary which has never before been published The present edition has been prepared from the original manuscript in the Public Archives of Canada and is illustrated with watercolours by Janie herself Publisher **A Deep Sense of Wrong** Beverley Boissery,1995-01-11 Shows the degradation of prison life and the triumph of the human spirit over overwhelming odds [A Gentlewoman in Upper Canada](#) Anne Langton,2008-01-01 First published in 1950 A Gentlewoman in Upper Canada is a classic work of early pioneering literature This new significantly expanded edition includes many of Langton s original illustrations and reveals Langton s views on writing art and women s social and familial roles in nineteenth century Europe and Canada *History of the Book in Canada: Beginnings to 1840* History of the Book in Canada Project,2004-01-01 Impressive in its scope and depth of scholarship this first volume of the History of the Book in Canada is a landmark in the chronicle of writing publishing bookselling and reading in Canada [Intrepid Women](#) Jordana Pomeroy,2017-07-05 Despite the increased visibility of Victorian women artists in museum exhibitions and historical studies the art produced by Victorian women has been viewed through a restrictive lens Scholars have focused on works produced for the marketplace but have overlooked art created and displayed outside of established venues and institutions of higher learning Drawing upon sketches paintings and photographs *Intrepid Women Victorian Artists Travel* is a groundbreaking study that examines the art that women produced whilst traveling as well as the circumstances that took these artists both amateurs and professionals far beyond the reaches of the traditional Grand Tour Traveling throughout the British Empire including the Middle East India Canada and North Africa and even to the Americas the artists adapted to new climes and foreign cultures partially by documenting the unfamiliar through their art sometimes at great physical risk This volume of essays offers fresh evidence that through their travel and art women extended both geographic and social boundaries Each author presents evidence that women overcame institutional as well as cultural obstacles to improve their artistic skills and to use their art to convey worlds most British citizens would never see for themselves [The Oxford Companion to Spirits and Cocktails](#) David Wondrich,Noah Rothbaum,2021-10-20 The Oxford Companion to Spirits and Cocktails presents an in depth exploration of the world of spirits and cocktails in a ground breaking synthesis The Companion covers drinks processes and techniques around the world as well as those in the US and Europe It

provides clear explanations of the different ways that spirits are produced including fermentation distillation and ageing alongside a wealth of new detail on the emergence of cocktails and cocktail bars including entries on key cocktails and influential mixologists and cocktail bars      Unpacking Culture Ruth B. Phillips, Christopher B. Steiner, 1999-01-30 Tourist art production is a global phenomenon and is increasingly recognized as an important and authentic expression of indigenous visual traditions These thoughtful engaging essays provide a comparative perspective on the history character and impact of tourist art in colonized societies in three areas of the world Africa Oceania and North America Ranging broadly historically and geographically Unpacking Culture is the first collection to bring together substantial case studies on this topic from around the world      **Prisons, Asylums, and the Public** Janet Miron, 2011-03-05 The prisons and asylums of Canada and the United States were a popular destination for institutional tourists in the nineteenth century Thousands of visitors entered their walls recording and describing the interiors inmates and therapeutic and reformatory practices they encountered in letters diaries and articles Surprisingly the vast majority of these visitors were not members of the medical or legal elite but were ordinary people Prisons Asylums and the Public argues that rather than existing in isolation these institutions were closely connected to the communities beyond their walls Challenging traditional interpretations of public visiting Janet Miron examines the implications and imperatives of visiting from the perspectives of officials the public and the institutionalized Finding that institutions could be important centres of civic activity self edification and scientific study Prisons Asylums and the Public sheds new light on popular nineteenth century attitudes towards the insane and the criminal      Governors and Settlers M. Francis, 1992-03-03 In nineteenth century settler colonies such as Upper Canada New South Wales and New Zealand governors not only administered they stood at the head of colonial society and ordered the festivities and ceremonies around which colonial life centred Governors were expected to be repositories of political wisdom and constitutional lore Governors and Settlers explores the public and private beliefs of governors such as Sir Thomas Brisbane Sir John Colborne Sir George Grey and Lord Elgin as they struggled to survive in colonial cultures which both deified and vilified their personal qualities      **Canadian Women in Print, 1750-1918** Carole Gerson, 2011-05-24 Canadian Women in Print 1750 1918 is the first historical examination of women s engagement with multiple aspects of print over some two hundred years from the settlers who wrote diaries and letters to the New Women who argued for ballots and equal rights Considering women s published writing as an intervention in the public sphere of national and material print culture this book uses approaches from book history to address the working and living conditions of women who wrote in many genres and for many reasons This study situates English Canadian authors within an extensive framework that includes francophone writers as well as women s work as compositors bookbinders and interveners in public access to print Literary authorship is shown to be one point on a spectrum that ranges from missionary writing temperance advocacy and educational texts to journalism and travel accounts by New Woman adventurers Familiar figures such as Susanna Moodie L M Montgomery Nellie McClung Pauline

Johnson and Sara Jeannette Duncan are contextualized by writers whose names are less well known such as Madge Macbeth and Agnes Laut and by many others whose writings and biographies have vanished into the recesses of history Readers will learn of the surprising range of writing and publishing performed by early Canadian women under various ideological biographical and cultural motivations and circumstances Some expressed reluctance while others eagerly sought literary careers Together they did much more to shape Canada's cultural history than has heretofore been recognized **The Canadian Forum** Charles Bruce Sissons, Richard De Brisay, 1976 *Wendat Women's Arts* Annette W. de Stecher, 2022-05-15 For centuries women artists of the Wendat First Nation of Wendake in Quebec have created artworks of intricate design and complex meaning in moosehair and quill embroidery Their work records and transmits ancestral knowledge across generations of artists and remains a vibrant and important practice today Breaking new ground in Indigenous art histories *Wendat Women's Arts* is the first book to bring together a full history of the Wendat embroidery art form Annette de Stecher challenges the historical anonymity of Indigenous women artists by arguing for their central role in community history and ceremony Through their art these women played an important part in the diplomatic strategies that advanced the sovereignty of their nation work that was an extension of their position of authority in their families and clans Chiefs and community members wore finely embroidered attire as a brilliant focus of ceremonial events a tradition that continues today Women artists also supported their community economically as their embroidery was a souvenir of choice for European collectors In vibrant illustrations this book reconstructs the rich repertoire of Wendat embroidery now dispersed in collections throughout the world *Wendat Women's Arts* combines a depth of historical understanding with a keen knowledge of contemporary Wendat artists demonstrating that the story of Wendat women is one of cultural strength innovation resilience and success *The Comic Book History of the Cocktail* David Wondrich, 2025-09-23 A graphic novel history of the cocktail from prehistoric wassail to our current boozy renaissance featuring 20 recipes by drinks historian Daily Beast columnist and award winning author David Wondrich There's no better writer to tell the colorful history of cocktails than David Wondrich widely considered to be one of the world's foremost authorities on cocktails and a driving force behind the early twenty first century revival in the classic American art of mixing drinks In *The Comic Book Story of the Cocktail* Wondrich teams up with comics artist Dean Kotz to trace the evolution of the cocktail Beginning with the ancient days of wassail and hypocras mixed drinks based on wine and beer they narrate a tumultuous and vibrant history that stretches through the Age of Exploration the boozier parts of the Enlightenment and America's hurly burly nineteenth century to the Disco years the Cosmo years and the modern Cocktail Revolution Kotz's intricate masterful drawings illustrate stories that have never been properly told and introduce key characters who haven't yet received their due Nearly thirty recipes round out this spirited account featuring accurate versions of old classics and a generous selection of secret weapons from the mixologist's vest pocket So settle in with your libation of choice and prepare to meet the good the bad and the boozy in this

lively and jam packed tale     Quarry ,1976     **Canadian Perspectives on Law and Society** W. Wesley Pue,Barry Wright,1988-01-01     **The Social History of Ideas in Quebec, 1760-1896** Yvan Lamonde,2013-05-01 In The Social History of Ideas in Quebec 1760 1896 Yvan Lamonde traces the province s political and intellectual development from the British Conquest to the election of Prime Minister Wilfrid Laurier From the individuals who formulated them to the networks in which they circulated to their reception Yvan Lamonde focuses on ideas at work and their role in shaping Quebec history The mapping of a complete intellectual circuit allows Lamonde to follow the strains of ideological debates monarchism liberalism republicanism democracy revolution ultramontanism nationalism over more than a century His work is informed by an encyclopaedic reading of the print culture of the period and the book conveys a profound and nuanced knowledge of the social context and cultural channels educational institutions newspapers the book trade in which intellectual debate occurred Lamonde argues that while these ideas concerned politics they went beyond the political they were a fundamental and everyday element of civic society that was expressed in the public sphere through pamphlets the popular press and sermons Lamonde s scrutiny of public opinion in Quebec allows him to place such currents of thought in the colony s international context that of France England Rome the United States and their respective metropolises The Social History of Ideas in Quebec 1760 1896 covers a volatile time in the province s history from the end of the French Regime through the American invasion the War of 1812 and the Rebellions in Lower Canada capturing the cultural ascension of a society and the foundations of Quebec identity     **Canada Through Time, Book Two** Angus L. Scully,1993     **Steamboat Connections** Frank Mackey,2003-04-16 In Steamboat Connections Frank Mackey gives us a narrative account of the first twenty five years of steam navigation along the St Lawrence and Ottawa Rivers Relying on a wealth of primary archival sources Mackey focuses on the development of steamer traffic from 1816 when the foundations were laid for the first stage and steamboat line between Montreal and Upper Canada to the early 1840s when locks canals innovations and human daring conquered the rapids on those rivers and allowed for navigation between Montreal and the Great Lakes He shows how starting in 1841 small steamers ran the circuit down the rapids of the St Lawrence to Montreal and then back up to Kingston and other Great Lakes ports via the Ottawa River and the Rideau Canal Mackey introduces the entrepreneurs who forged this important link between Montreal and the nation s interior and chronicles the course of their industry correcting previous misinterpretations He sheds light not only on steamboats but also on the social commercial and geographical development that they made possible He shows that the history of this country a land with vast expanses and a harsh climate cannot be fully appreciated without looking at the different modes of transportation that made it possible     Sophie's Rebellion Beverley Boissery,2005-09-03 2006 Word Guild Award Winner Young Adult Fiction Sophie Mallory s American family knows everything about fighting the British It s the family tradition But after she comes to Lower Canada in 1838 rebellion becomes personal when she s taken prisoner Befriended by Luc a young rebel she comes to see its many sides the deep wrongs

underlying the passionate revolt the politics and the brutal savagery of its aftermath This is no ordinary novel about our Canadian past Its two wonderful characters face complicated problems of friendship loyalty and betrayal and begin questioning their families political beliefs In Sophie s Rebellion Beverly Boissery deftly weaves adventure excitement sadness humour and personal growth

**Done with Slavery** Frank Mackey, 2010-02-01 Did slavery exist in Montreal and if so what did it look like Frank Mackey grapples with this question in Done with Slavery a study of black Montrealers in the eighty years between the British Conquest and the union of Lower and Upper Canada Through close examination of archival and contemporary sources Mackey uncovers largely unknown aspects of the black transition from slavery to freedom While he considers the changing legal status of slavery much of the book provides a detailed and nuanced reconstruction of the circumstances of black Montrealers and their lived experience The resulting picture is remarkably complex showing the variety of occupations held by blacks the relationships they had with those they served their encounters with the judicial and political systems and the racial mingling that came with intermarriage and apprenticeships Done with Slavery casts the categories of blackness and slavery in a new light showing that broad histories of the phenomenon must begin to take into account the specifics of the lives of marginal black populations Done with Slavery is an invitation to look at a colonial society through the prism of documented black experience revealing that the roots of the present are neither as wholesome as some would hope nor as bitter as others might suppose

## **The Diary Of Jane Ellice Book Review: Unveiling the Magic of Language**

### **The Diary Of Jane Ellice Introduction**

In today's digital age, the availability of The Diary Of Jane Ellice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Diary Of Jane Ellice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Diary Of Jane Ellice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Diary Of Jane Ellice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Diary Of Jane Ellice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Diary Of Jane Ellice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Diary Of Jane Ellice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Diary Of Jane Ellice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Diary Of Jane Ellice books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Diary Of Jane Ellice Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Diary Of Jane Ellice is one of the best book in our library for free trial. We provide copy of The Diary Of Jane Ellice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Diary Of Jane Ellice. Where to download The Diary Of Jane Ellice online for free? Are you looking for The Diary Of Jane Ellice PDF? This is definitely going to save you time and cash in something you should think about.
