Silver Fox's Secret Baby: An Age Gap, Best Friend's Dad Romance Ajme Williams, My boss stabbed my heart when he shipped me across country to fix a mistake we made. He slept with me knowing that I was his daughter's best friend. That jerk has no idea I've kept a secret from him for years. He doesn't know there's a little boy whose eyes look just like his. If only my disappearance was permanent he would remain a secret. But I'm back in New York. And every breath I take reminds me of the time Henry pinned me against the wall and got me pregnant. I must make sure that never happens again. Especially now that I'm in a crisis and he's the only one that can help me. The guilt eats at me every time he comes close. But this silver fox will soon bear the consequences he hoped to escape all those years ago. Coming face to face with his own flesh and blood would lead to a decision that might break not two but three hearts. **SILVER FOX'S SECRET BABY** is a full length standalone spicy age gap romance complete with a secret baby and BBW's dad's best friend. Who doesn't love a silver fox? Get your dose of possessive boss romance with this sensual romance.

To the Arctic! Jeannette Mirsky, 1970 Who Reached the North Pole First? A recent article in the New York Times February 17 1997 presented new evidence from the journals of Admiral Robert E. Terrill,2025-08-08 Tricksters of Gotham explores the trickster tale through an in depth look at Christopher Nolan s Batman trilogy Batman Begins The Dark Knight and The Dark Knight Rises The trickster figure is an ancient and variable figure versions of which populate the myths and folklore of many human cultures worldwide Conceptualising the trilogy as a single aggregate text with a clear narrative arc the author explores the variety of trickster figures present in the films and draws clear parallels with the surrounding social and political context Departing from the central argument that the Batman trilogy shows a variety of trickster characters even Batman himself this book shows contemporary trickster figures to be rich and relevant cultural resources that can focus our attention on those elements of the social order that have become too rigid hierarchical or exclusionary The author argues that they can model tactics for engaging with tricksters when they inevitably arise in civic culture offering insights about how to manage interactions with these figures who can be both productively disruptive and potentially destructive This book pays close attention to the characters portrayed in the Nolan Batman trilogy not only the Batman and the Joker but the more minor characters as well to discover what trickster like tactics they may offer In this way the book intends to render these films as a sort of equipment for civic life and to encourage similar analyses of other contemporary cultural artifacts Through close readings of these films the book renders the Nolan Batman trilogy as what rhetorical theorist Kenneth Burke refers to as equipment for living This book will interest scholars and students of rhetoric and public culture film studies and communication **The Quarterly Review** ,1875 *The London Quarterly Review* ,1875
