## **The Daughter:**

*The Daughter of Adoption* John Thelwall, 2013-03-18 John Thelwall's *The Daughter of Adoption A Tale of Modern Times* is a witty and wide ranging work in which the picaresque and sentimental novel of the eighteenth century confronts the revolutionary ideas and forms of the Romantic period Thelwall puts his two main characters the conflicted English gentleman Henry Montfort and the Creole Seraphina Parkinson through their paces in a slave rebellion in Haiti where they barely escape with their lives and in London society where Henry almost loses his soul Combining political analysis with melodrama and flat out farce *Daughter* expands the scope of the abolitionist novel pushing the argument beyond the slave trade to challenge empire and racial superiority Historical materials on Thelwall's life the abolitionist movement and eighteenth century educational theories provide a detailed context for the novel *The Daughter of a Genius ... Third Edition, with Improvements* afterwards HOF LAND HOOLE (Barbara), 1826 *Fathers and Daughters in the Hebrew Bible* Johanna Stiebert, 2013-03-28 The father daughter dyad features in the Hebrew Bible in all of narratives laws myths and metaphors In previous explorations of this relationship the tendency has been to focus on discrete stories notable among them Judges 11 the story of Jephthah's human sacrifice of his daughter and Genesis 19 the dark tale of Lot's daughters seduction of their father By taking the full spectrum into account however the daughter emerges prominently as not only expendable and exploitable as an emphasis on daughter sacrifice or incest has suggested but as cherished and protected by her father Depictions of daughters are multifarious and there is a balance of very positive and very negative images While not uncritical of earlier feminist investigations this book makes a contribution to feminist biblical criticism and utilizes methods drawn from the social sciences and psychoanalysis Alongside careful textual analysis Johanna Stiebert offers a critical evaluation of the heuristic usefulness of the ethnographic honour shame model of parallels with Roman family studies and of the application and meaning of patriarchy Following semantic analysis of the primary Hebrew terms for father and daughter as well as careful examination of inter family dynamics and the daughter's role vis vis the son's alongside thorough investigation of both Judges 11 and Genesis 19 and also of the metaphor of God the father of daughters Eve Wisdom and Zion Stiebert provides the fullest exploration of daughters in the Hebrew Bible to date *The Clinical Assessment of Children and Adolescents* Steven R. Smith, Leonard Handler, 2015-09-07 This book highlights assessment techniques issues and procedures that appeal to practicing clinicians Rather than a comprehensive Handbook of various tests and measures *The Clinical Assessment of Children and Adolescents* is a practitioner friendly text that provides guidance for test selection interpretation and application With topics ranging from personality assessment to behavioral assessment to the assessment of depression and thought disorder the leaders in the field of child and adolescent measurement outline selection and interpretation of measures in a manner that is most relevant to clinicians and graduate students Each chapter makes use of extensive case material in order to highlight issues of applicability ***The Daughters of the Plaza de Mayo*** David Moshman, 2006 In the

late 1970s some 30 000 Argentines mostly young men and women thought to have leftist sympathies were kidnapped and tortured to death by the military government which denied what was happening In response the mothers of the disappeared came together and marched in Buenos Aires at the Plaza de Mayo demanding week after week that their children be returned or accounted for Democracy was finally restored with promises of truth and justice As memory gave way to historical amnesia however and judicial processes to reconciliation the Mothers of the Plaza de Mayo continued to march Do not forget they insisted do not forgive Sixty years later a nonlocalizable electronic agent that calls itself the Daughters of the Plaza de Mayo emerges on the global Network No one knows what the Daughters are or what they want They tell horrifying stories from Argentina and elsewhere They provide seemingly endless lists of victims names They invoke El Eternauta a comic book character from a space beyond time to press a moral perspective that demands the impossible They are singular and plural informative and obscure irritating threatening unclassifiable and relentless in the pursuit of their agenda whatever that may be
