The Day Of Celestial Visitation:

The Day of Celestial Visitation Ernest P. Moyer,1975 **Heavenly Visits** Betty Jane Rapin,2016-08-18 After death reuniting in heaven with our deceased loved ones is a belief readily accepted by many religions However it is possible to have a get together with our dearly beloved in the here and now by dreams or other means Some dispute this possibility However in this book forty ordinary people share their personal experiences These accounts of visits and messages from loved ones human and pets are proof that this is a possibility for anyone even the strongest nonbeliever In her book Betty discusses the death of two husbands how she experienced the different stages of grief what she did to get her through it and what she learned that made a major difference in the grieving process with her second husband She explains the many ways the departed can make contact and how you can sharpen your observation skills to recognize the often subtle heavenly visits and messages **Catalog of Copyright Entries.
