The Day Of The Rope:

The Day-Star, 1847 The Day of Reckoning C.H. Perry, 2017-05-05 What would you do if you suddenly discovered that you have the power of a god This is the dilemma that Jason Christianson must confront as we follow his life s journey from his humble beginnings to tragedies leading to his attaining a God like power as he wrestles with his conscience regarding the final outcome of using his power Spanning the globe Jason s journey takes him on a roller coaster ride of twists and turns eventually leading him to meet up with a mysterious traveler who helps him to come to terms with his internal conflict regarding the evolvment of his power The result is the culmination of Jason using his power to transform the conditions of the world into a modern day Atlantis of peace and prosperity upon the Earth that humankind has never experienced before From the first page to the escalating culmination of events ripped from today s headlines The Day Of Reckoning pulls the reader in and doesn t let go until the last page Straightforward in its presentation but far reaching and frightening in its implications it is sure to transform the lives of anyone who reads it Where will you be and will you survive The Day Of Reckoning **The Day of Wrath** Mór Jókai, 2019-12-03 In The Day of Wrath M r J kai weaves a complex tapestry of passion conflict and the inexorable forces of history set against the backdrop of Hungary during tumultuous political upheaval The novel skillfully blends romantic ideals with realism reflecting its time and place while delving into the mindsets of its characters J kai s rich descriptive prose highlights the emotional turmoil and moral dilemmas faced by individuals caught between their desires and the turbulent world around them The narrative stands as a poignant reflection on the human experience during a period of strife and uncertainty inviting readers to ponder the broader implications of their personal choices within a societal context marked by revolution M r J kai a prominent Hungarian author was an ardent supporter of national independence and liberation themes that profoundly influenced his writing Born in 1825 J kai witnessed firsthand the socio political struggles of his nation which often informed the emotional depth and historical context of his work His life experiences and commitment to Hungarian culture resonate throughout The Day of Wrath making the novel not only a work of fiction but also a significant commentary on national identity and resilience This powerful narrative is recommended for those interested in Hungarian literature and the exploration of human agency amidst historical turmoil J kai s ability to conjure vivid characters and scenarios while also engaging with broader themes of freedom and societal change makes The Day of Wrath an essential read for both scholars and general readers alike **The Day of Resis** Lillian Frances Mentor, 2022-04-06 Excerpt The following letter and document were the first causes of the long journey and strange adventure Dear Miss Cameron You will probably be much surprised to hear from me in this out of the way place but knowing the pleasure you take in everything pertaining to Africa I thought you might be interested in a matter which came before my notice recently Some months ago I joined a hunting party bound for the interior of Africa and on our return march at Rehenoko we fell in with another caravan bound for the coast Having a common destination Zanzibar we travelled together
