The Day The World Went Away:

The World at My Back Thomas Melle, 2023-05-02 Books written out of great emotional distress are rarely great literature. Thomas Melle's *The World at My Back* is great literature because he pulls it off without a single false note. Deutschlandfunk German National Radio Longlisted for the 2024 National Translation Award in Prose. A Finalist for the German Book Prize. Translated into Eighteen Languages. Addicted to culture author Thomas Melle has built up an impressive personal library. His heart is in these books and he loves to feel them at his back, their promise and challenge as he writes. But in the middle of a violent dissociative episode when they become ballast to his increasingly manic self, he disperses almost overnight what had taken decades to gather. Nor is this all he loses descending further into an incomprehensible madness; he loses friendships and his career as a novelist and celebrated playwright. But the most savage cruelty is that he no longer either knows or understands himself. Vulnerable and claustrophobic, shattering and profoundly moving, Thomas Melle's *The World at My Back* is a book dedicated to the impossibility of reclaiming what has been lost; its lines both a prayer and reminder that on the other side of madness, other possibilities await. *The Day the World Went Sane* Harry Barba, 1979 **Return of the Continuums** Jennifer Brody, 2016-11-01 Reaching the surface was just the beginning. As Myra Jackson and her friends set out to find the First Continuum, Captain Aero Wright and two companions from the outer space Second Continuum find themselves banished for treason and stranded on Earth. Wright has vowed to complete his late father's mission to recolonize their ancestral planet, but his true mission is to find the mysterious girl who haunts his dreams. Meanwhile, Myra and the young refugees of the underwater Thirteenth Continuum must make an unlikely ally if they are going to survive the hostile surface world and reach their destination, the nexus of humanity's hope for survival. As their paths begin to converge, the Beacons that guide and connect Myra and Aero begin to prove their power, and a shadowy force with a centuries-old grudge reveals itself. **The Remaining** Travis Thrasher, 2014-09-01 Exclusive epilogue included. *The Remaining* is a novelization of the apocalyptic movie from Sony Affirm. Just after a young couple says their vows, the earth shakes and some people die suddenly and are taken away. The rest of their wedding party and friends are left to wrestle with what happened and with their faith. Characters struggle with secret love, dreams, hopes, and beliefs as they continue to evaluate their faith. This book and movie are both action-packed thrillers that will encourage audiences to think about their beliefs. Now with an exclusive epilogue only available in the eBook.
