**Doge** Edward Charles,2011-02-22 Venice 1556 a wealthy bustling multi cultural city with a standard of living four times that of anywhere else in Europe Into this exciting world comes twenty year old English protestant Richard Stocker recovering from the execution of his friend Lady Jane Grey a friendship recounted in Edward Charles s debut novel In the Shadow of Lady Jane Soon Richard finds himself caught up in the complexities of La Serenissima and involved with three of the city s most remarkable women Faustina Contarini a nun imprisoned in a convent by her noble family Yasmeen Ahmed Muslim clerk and book keeper to the great artist Tintoretto and Veronica Franco artists model courtesan and poet Each has her own story to tell but they have one thing in common they are all daughters of the Doge held captive by the contradictory laws and regulations of this teeming city This is a thrilling account of a young man s transformation as he discovers love faith and deception in a colourfully evoked Renaissance Venice *The Mother-Daughter Project* SuEllen Hamkins,Renee

Schultz,2007-04-05 Few things are more meaningful or more complicated than mother daughter relationships This helpful parenting guide helps moms navigate their relationships with their daughters to create strong ties and a close respectful connection that will last a lifetime SuEllen Hamkins MD and Ren e Schultz MA originally created the Mother Daughter Project with other women in their community in the hopes of strengthening their bonds with their then seven year old girls The group met regularly to speak frankly about such issues as friendships and aggression puberty body image drugs and sexuality The results were amazing confident assertive teenage girls with strong self images and close ties to their moms Equally important the mothers navigated their own concerns about adolescence with integrity and grace From their dedication and efforts arose The Mother Daughter Project an incredibly useful parenting handbook that details the success of the Project s groundbreaking model providing mothers with a road map for staying close with their own daughters through adolescence and beyond **Life's Lessons from a Father to His Daughter** Bob Grossmann,2003-05-21 Life s Lessons from a Father to his Daughter uses twenty four stories pictures and artwork to help teach our children life s lessons with the aim of helping our children learn to make good decision making skills Decision making skills are often not well taught or

integrated into a strong sense of personal philosophy Human nature can be impulsive The use of stories real life or metaphors to pass on life lessons from one generation to another is at the core of our oral and written traditions Parents can help to pass on this information as a creative way to install core values help reduce the chance of mishap and enhance lifelong success Part of the challenge is establishing a dialogue that allows worldviews to be discussed both the commonalities and the differences Perhaps part of the failure to achieve a sustained dialogue is that we as parents wait too long to start the dialogue Part of the challenge too is that the lessons have different levels of meaning as we age So Life s Lessons from a Father to his Daughter was written to have meaning at the different stages of life in one s mid teens mid twenties and again in mid life Value exists in the stories being real Non fiction can carry more weight Children need to learn early that their parents continue to go through what they are experiencing We too make mistakes that we try and fail and we are both individuals and members of larger communities All the increasing access to information may not make decision making easier Greater discrimination and better choices will be essential So read the vignettes with your children and see where the discussion goes Be sure to have a few good laughs along the way Life s Lessons from a Father to his Daughter is a tool to help parents communicate with their children by providing a context for parents to add their own personal stories
