Syndrome CFS and Chronic Fatigue Immune Deficiency Syndrome CFIDS While worldwide investigation into the cause and nature of ME CFS remains disproportionately small and treatment remains symptomatic and controversial modest research continues in all aspects of this disease epidemiology possible infectious origins and other triggers possible involvement of genetics metabolism and microbiome influence of co morbid conditions and more Treatment of patients consists of providing symptomatic relief Guidance in doing so is provided for the clinician School age children require not only treatment but as revealed in a 25 year retrospective study continued engagement with peers and social activity This e book explores the breadth and depth of current ME CFS research and clinical care Its impact for other chronic complex illnesses should not be overlooked

Beyond Sexuality Tim Dean, 2000-09 Beyond Sexuality points contemporary sexual politics in a radically new direction Combining a psychoanalytic emphasis on the unconscious with a deep respect for the historical variability of sexual identities this original work of queer theory makes the case for viewing erotic desire as fundamentally impersonal Tim Dean develops a reading of Jacques Lacan that rather than straightening out this notoriously difficult French psychoanalyst brings out the queer tensions and productive incoherencies in his account of desire Dean shows how the Lacanian unconscious deheterosexualizes desire and along the way he reveals how psychoanalytic thinkers as well as queer theorists have failed to exploit the full potential of this conception of desire The book elaborates this by investigating social fantasies about homosexuality and AIDS including gay men s own fantasies about sex and promiscuity in an attempt to illuminate the challenges facing safe sex education Taking on many shibboleths in contemporary psychoanalysis and queer theory and taking no prisoners Beyond Sexuality offers an antidote to hagiographical strains in recent work on psychoanalysis Foucault and sexuality
