The Decorative Thirties Martin Battersby,1988 The decorative thirties Martin Battersby,1976 **The Decorative Twenties** Martin Battersby,1988 *Thirties, British Art and Design Before the War* Arts Council of Great Britain, Hayward Gallery,1979 **The Interior Design Handbook** Joanna Wissinger,2025-09-23 Whether you are moving into a new home or renovating and redecorating an existing one *The Interior Design Handbook* is the perfect first step to creating an intimate and unique space that is a joy to live in and simple to maintain With thought provoking exercises and tips and helpful checklists full of often forgotten details this handbook from Joanna Wissinger offers a relaxed yet well informed look at home decoration and covers everything from the practical to the aesthetic from low maintenance high style flooring materials paints and wall coverings to rich fabrics and fabulous furnishings It offers readers an appealing and systematic way to accomplish their goals and dreams for the ideal living space suited to their own tastes whether the rustic charm of the French country look the clean lines of Bauhaus or the ornate richness of the Victorian style Perfect for both the novice and the home owner more experienced in decoration this how to book boasts an easy to use format that allows you to record thoughts make plans and daydream about your new living space London Writing of the 1930s Anna Cottrell,2018-09-30 Analyses our modern obsession with intense experiences in terms of the metaphysics of intensity The Empire State Building John Tauranac,2014-03-25 The Empire State Building is the landmark book on one of the world s most notable landmarks Since its publication in 1995 John Tauranac s book focused on the inception and creation of the building has stood as the most comprehensive account of the structure Moreover it is far more than a work in architectural history Tauranac tells a larger story of the politics of urban development in and through the interwar years In a new epilogue to the Cornell edition Tauranac highlights the continuing resonance and influence of the Empire State Building in the rapidly changing post 9 11 cityscape The Story of Western Furniture Phyllis Bennett Oates,1998-05-01 As well as fulfilling a functional need furniture has always been an index of status From the throne of Tutankhamen or the bed of Louis XIV to the austere Shaker chest or the Charles Eames chair and later modern pieces from Europe the Far East and the United States the style of each piece tells much about the outlook of the makers and the needs and skills of the time This absorbing history traces the development of furniture design and production from the days of ancient Egypt to the present describing what articles were made in each period how they were made and what were the social and economic conditions that affected style and finish The author discusses techniques such as joinery turning veneering marquetry polishing upholstery bentwood work and lamination Many examples are shown in the illustrations which are invaluable recognition sources and a lively visual accompaniment to the text **Pantone: The Twentieth Century in Color** Leatrice Eiseman,Keith Recker,2011-10-19 Pantone the worldwide color authority invites you on a rich visual tour of 100 transformative years From the Pale Gold 15 0927 TPX and Almost Mauve 12 2103 TPX of the 1900 Universal Exposition in Paris to the Rust 18 1248 TPX and Midnight

Navy 19 4110 TPX of the countdown to the Millennium the 20th century brimmed with color Longtime Pantone collaborators and color gurus Leatrice Eiseman and Keith Recker identify more than 200 touchstone works of art products decor and fashion and carefully match them with 80 different official PANTONE color palettes to reveal the trends radical shifts and resurgences of various hues This vibrant volume takes the social temperature of our recent history with the panache that is uniquely Pantone

Designing Liners Anne Wealleans, 2006-09-27 This in depth history of the interior design of ocean liners surveys the transient history of interior design in relation to the development of passenger shipping from commissioning by the line owners methods and sources for the original creation of designs through to its construction use and influence It is a short lived branch of architecture and design lasting an average of fifteen years As the design and taste mirrors and reinforces cultural assumptions about national identity gender class and race not only did the interiors of ocean going liners reflect the changing hierarchies of society and shifting patterns in globalization but the glamour and styling of the liners were reflected back into the design of interiors on land Combining design history architecture history material and visual cultures Designing Liners is a richly multidisciplinary work for those studying or researching this application of interior design

The City Allen J. Scott, Edward W. Soja, 1996 Los Angeles has grown from a scattered collection of towns and villages to one of the largest megacities in the world The editors of THE CITY have assembled a variety of essays examining the built environment and human dynamics of this extraordinary modern city emphasizing the dramatic changes that have occurred since 1960 58 illustrations

Making the Modern Terry Smith, 1993 Smith reveals how this visual revolution played an instrumental role in the complex psychological social economic and technological changes that came to be known as the second industrial revolution From the role of visualization in the invention of the assembly line to office and building design to the corporate and lifestyle images that filled new magazines such as Life and Fortune he traces the extent to which the second wave of industrialization engaged the visual arts to project a new iconology of progress

American Art Deco Carla Breeze, 2003 Art Deco architecture flourished in large cities and small towns throughout America in the 1920s and 1930s The style is now captured in over 500 color photos of 75 lavish and innovatively designed buildings across the country that have been preserved both outside and in giving the full scope of this beloved exciting style

A History of Interior Design John F. Pile, 2005 Delivers the inside story on 6 000 years of personal and public space John Pile acknowledges that interior design is a field with unclear boundaries in which construction architecture the arts and crafts technology and product design all overlap

Interior Design Since 1900 (Fourth) (World of Art) Anne Massey, 2020-04-14 Newly updated and overflowing with color this well established history of interior design describes and illustrates each movement and change in taste throughout the twentieth century Interior design experienced an extraordinary amount of changes in taste and style during the twentieth century From William Morris and the Arts and Crafts movement to expressionism

postmodernism and green design Interior Design Since 1900 charts them all Featuring more than two hundred color illustrations of interiors from around the world this book reveals the fundamental changes in style that occurred throughout the century The 1900s saw the emergence of professional designers and a growing appetite to redesign homes to keep up with popular fashion In recent decades the focus has shifted toward public spaces and sustainable design In this survey Anne Massey explores the social political economic and cultural contexts of these developments This book has been a classic introduction to interior design for almost thirty years The new fourth edition is brought up to date with a chapter on transnational design encompassing midcentury modernist work in Singapore and Sri Lanka as well as more recent interior spaces including luxury hotels in Dubai and a contemporary art museum in Cape Town Through this book Massey shows how a shared language of design and cutting edge technology are reshaping interiors around the globe

Interwar Gavin Stamp, 2024-03-07 A FINANCIAL TIMES BOOK OF THE YEAR 2024 A Country Life Architecture Book to Read in 2025

Elegant erudite and entertaining a superbly detailed picture of an architectural era The Times A magnificent monument in itself to a fine architectural writer Simon Heffer Telegraph British architecture between the wars is most famous for the rise of modernism the flat roofs clean lines and concrete of the Isokon flats in Hampstead and the Penguin Pool at London Zoo but the reality was far more diverse As the modernists came of age and the traditionalists began to decline there arose a rich variety of styles and tastes in Britain and across the empire a variety that reflected the restless zeitgeist of the years before the Second World War At the time of his death in 2017 Gavin Stamp one of Britain's leading architectural critics was at work on a deeply considered account of British architecture in the interwar period correcting what he saw as the skewed view of earlier historians who were unable to see past modernism Beginning with a survey of the modern movement after the armistice Interwar untangles the threads that link lesser known movements like the Egyptian revival with the enduring popularity of the Tudorbethan to chronicle one of Britain's most dynamic architectural periods The result is more than an architectural history it is the portrait of a changing nation As an account of the period that still shapes much of Britain's towns and cities Gavin Stamp's final work is the definitive history of British architecture between the Great War and the Blitz

Off the Wall Lena Lenček, Gideon Bosker, 2004 Hypnotic flowering vines black and white Op Art odysseys and seas of patriotic warships are just some of the beautiful strange and fantastic patterns that have adorned the walls of homes the world over In the tradition of best seller Fabulous Fabrics of the 50s this home decor reference book entertains while it inspires with flawless reproductions of 150 classic and unique wallpapers many of which are drawn from the collections of the Cooper Hewitt National Design Museum Smithsonian Institution Covering every decade of the century Off the Wall celebrates robust pattern and detail in all their manifestations Lively text and captions help to capture the designers trends and world events relevant to each piece and the broader evolution of the genre from a 1948 mural of rural America replete with plump livestock and ripening fields to the boldly colored abstractions produced in the 1950s by Herman Miller for
