The Ministry of the Word, Vol. 22, No. 05 Various Authors, 2018-05-01 This issue of The Ministry of the Word contains the final eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Revelation of Life in the Scriptures God s ultimate intention is to gain a corporate God man for His corporate manifestation The intrinsic element of God s eternal economy is that the Triune God in humanity the wonderful Christ as the Spirit of the glorified Jesus is sown into God s chosen people as the seed of life the seed of God so that He might grow in them live in them develop in them and be expressed from within them as the farm of God for the building up of the church as the house of God and the kingdom of God The seed of life is actually God in Christ as the Spirit through His word sown into us This seed contains everything related to God s economy to the divine life and to the growth development and function of that life The seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive Christ The seed of life sown into us needs to grow to maturity so that we may be the kingdom of God In resurrection Christ became a life giving Spirit for

imparting life The life giving Spirit is the extract the essence the concentrated form of the all inclusive Christ The totality of all that the all inclusive Christ is as the life giving Spirit is for our experience and enjoyment Without the experience of Christ as the life giving Spirit the Lord cannot have His Body If we never have any experience or enjoyment we will never grow There is always a spiritual war related to the growth in life If the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity However there is a fighting element in this seed The only way to enter into the coming kingdom is to grow into the kingdom Second Peter 1 5 11 reveals that our growth in life to maturity becomes an entrance into the kingdom richly supplied to us The law of the Spirit of life is the subject of Romans 8 God s life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God s desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God s heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God s firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God s complete salvation for the believers to participate in God s organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s

organic salvation is the organic aspect of God's complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God's salvation accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God's life sanctification with God's holy nature renewing with God's element transformation with God's being conformation into God's image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God's organic salvation are carried out by Christ as the life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with God's holy nature It is in resurrection that we are renewed we walk in newness of life and we serve in newness of spirit Rom 6 4 7 6 The experience of God's organic salvation equals reigning in Christ's life The issue of our reigning in life living under the ruling of the divine life is the real and practical Body life expressed in the church life 12 1 4 9 12 15 18 The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe [History of the Development of the Doctrine of the Person of Christ](#) Isaak August Dorner, 1868 **True**

Dimensions of Love Padma Aon Prakasha, 2013-06-28 What is love and what is it not Why is love the most misused word on this planet Is love meant to hurt Is there a map to love that I can follow The Pathway to God's Divine Love the simplest pathway on earth has been obscured by our own forgetting of who God is Dimensions of Love 7 Steps to God contains new and sometimes radical truths for the soul in a simple poignant and profound way Soulful and insightful it contains a message of beauty that cannot be missed *Destiny* Zara Borthwick, Nicholas Arnold, 2016-01-19 This book of spirit communications continues on with the experience of spirits conveying their progressive journey in the Divine Love What began with James Padgett in 1914 1920 with spirits introducing the teachings on the Natural and the Divine Love is continued on with *Destiny* We all aspire for positive encouragement in our lives and in the books of spirit communication The Golden Leaf Edges and Smooth Surfaces Future Memory The Divine Universe Celestial Soul Condition Shining toward Spirit Traveller the Eternal message of Divine Love is shining brightly *The Padgett Messages Volume 1* James E., Receiver Padgett, Communication, 2008-10-14 The Padgett Messages introduce the reader to soulful teachings of Divine Love spirit communications received by James E Padgett The Padgett Messages introduce many spirit related matters such as soulmates insight into the afterlife spirit guides the soul of mortal man and realm of spirits The teachings of Divine Love are the essence

of these messages and apply to the individual on their soul journey James Padgett received these messages from spirits and Celestial spirits through his gift of mediumship of automatic handwriting The inspiration for James to commence receiving messages from spirits was to communicate with his wife Helen who had passed into the afterlife Dr Stone and Eugene Morgan assisted James in this work during 1914 1920 The message of Divine Love is as relevant today as are the Celestial spirits who conveyed these messages with James Padgett Communication with spirit inspires many to seek information which may illuminate their spiritual journey *The Collected Works of Witness Lee, 1984, volume 3* Witness Lee, The Collected Works of Witness Lee 1984 volume 3 contains messages given by Brother Witness Lee from March 3 through December 16 1984 At the beginning of March Brother Lee traveled to Brazil and spent most of March ministering there At the end of March he returned from Brazil to Anaheim California and remained there until the middle of April During the last two weeks in April Brother Lee traveled to Stuttgart Germany and on his return to the United States he visited New York City Washington D C and Newton Massachusetts during the month of May At the end of May he ministered in Irving Texas and in the first few days in June he visited Denver Colorado At the end of June Brother Lee returned to Anaheim and remained there until the first week in October From the middle of October until the middle of November Brother Lee traveled to the Far East and ministered in Tokyo Japan Seoul South Korea Taipei Taiwan and Quezon City Philippines He returned to Anaheim for a few days in the middle of November and near the end of November he traveled to Irving where he remained until the end of the year The contents of this volume are divided into two sections as follows 1 Seventeen messages given in Brazil on March 3 through 10 These messages were previously published in a fifteen chapter book entitled The Divine Economy and are included in this volume under the same title 2 Fifty one messages given in Stuttgart Germany Washington D C Irving Texas Newton Massachusetts New York City and Anaheim California on April 20 through December 16 These messages were previously published in a forty four chapter book entitled God s New Testament Economy and are included in this volume under the same title The Great Pox Jon Arrizabalaga, John Henderson, Roger Kenneth French, 1997-01-01 A century and a half after the Black Death killed over a third of the population of Western Europe a new plague swept across the continent The Great Pox commonly known as the French Disease brought a different kind of horror instead of killing its victims rapidly it endured in their bodies for years causing acute pain disfigurement and ultimately an agonising death The authors analyse the symptoms of the Great Pox and the identity of patients richly documented in the records of the massive hospital of incurables established in early sixteenth century Rome They show how the disease threw accepted medical theory and practice into confusion and provoked public disputations among university teachers And at the most practical level they reveal the plight of its victims at all levels of society from ecclesiastical lords to the poor who begged in the streets Examining a range of contexts from princely courts and republics to university faculties confraternities and hospitals the authors argue powerfully for a historical understanding of the Great Pox based on contemporary perceptions rather than on a

Seeking the Welfare of the City Naomi Noguchi Reese, 2025-01-27 In the history of public theology the Holy Spirit's role in creation has been underexplored. If the Holy Spirit is the agent of transformation in creation, why have so many theologians neglected the Spirit's activity in the context of public theology? One of the causes of such neglect derives from a long-held belief in dualism or its assumption. As a result, generally speaking, theologians have neglected the eschatological aspect of the Spirit's work over creation and instead have devoted much of their attention to the immanent spiritual aspect of the Spirit's work. Hence, a theology is needed that recaptures the eschatological aspect of the Spirit's work over creation and Colin E. Gunton's pneumatology that is trinitarianly formulated and eschatologically conceived brings a fresh approach to public theology and moves us toward a full-bodied holistic and trinitarian public theology that takes into account the triune God. This study attempts to draw upon the resources uncovered in Gunton's pneumatology to outline applications for Christian engagement of the public square for the twenty-first century. The book concludes with criteria for discerning the Spirit's work in the public square to give us practical ways to see how the Spirit may be working in the public square for transformation.
