The Development of Religious Liberty in Connecticut M. Louise Greene, 2005-01-01 **The Development of Religious Liberty in Connecticut** M. Louise Greene, 1970 *The Development of Religious Liberty in Connecticut (Classic Reprint)* M. Louise Greene, 2015-06-30

Excerpt from *The Development of Religious Liberty in Connecticut*

The following monograph is the outgrowth of three earlier and shorter essays. The first, *Church and State in Connecticut to 1818*, was presented to Yale University as a doctor's thesis. The second, a briefer and more popularly written article, won the Straus prize offered in 1896 through Brown University by the Hon. Oscar S. Straus. The third, a paper containing additional matter, was so far approved by the American Historical Association as to receive honorable mention in the Justin Winsor prize competition of 1901. With such encouragement it seemed as if the history of the development of religious liberty in Connecticut might serve a larger purpose than that of satisfying personal interest alone. In Connecticut such development was not marked as so often elsewhere by wild disorder, outrageous oppression, tyranny of classes, civil war, or by any great retrograde movement.
