The Final Atonement of Christ Mark Shipowick, The Final Atonement calls the attention of the church to Christ's imminent cleansing of the sanctuary as graphically depicted in the apocalyptic prophecies of scripture. It unpacks many components associated with end time events both earthly and heavenly including the prophetic import of the unique turmoil of the early 2020s. It points readers forward to the momentous events in the courts of heaven and among the nations of earth foretold by inspiration that lie just ahead. Mark Shipowick does another deep dive into the apocalyptic prophecies in this complement to his previous volume Two Temples One Message. The author highlights several pivotal occurrences from the past globally and even domestically and emphasizes their relevance to the overarching conflict between Christ and Satan. He identifies a pattern of repetition and proposes that some of these historical events will unfold again. Along that vein he prompts readers to reexamine certain stances well established in Adventist orthodoxy and provides intriguing corroboration of his unorthodox conclusions from the pen of inspiration. Readers are encouraged to carefully and prayerfully study and determine their level of agreement for themselves with the cases Shipowick has built. They will identify the burden on his heart to see his brethren comprehensively prepared for Jesus to finalize His victory over the wretched enemy, restore His cherished people to His image and lead them home at last.
