## **The Devils Own Boy:**

The Devil's Own Randall Parrish, 2016-01-08 CHAPTER I AT OLD FORT ARMSTRONG It was the early springtime and my history tells me the year was 1832 although now that seems so far away I almost hesitate to write the date It appears surprising that through the haze of all those intervening years intensely active years with me I should now be able to recall so clearly the scene of that far off morning of my youth and depict in memory each minor detail Yet as you read on and realize yourself the stirring events resulting from that idle moment you may be able to comprehend the deep impression left upon my mind which no cycle of time could ever erase I was barely twenty then a strong almost headstrong boy and the far wilderness was still very new to me although for two years past I had held army commission and been assigned to duty in frontier forts Yet never previously had I been stationed at quite so isolated an outpost of civilization as was this combination of rock and log defense erected at the southern extremity of Rock Island fairly marooned amid the sweep of the great river with Indian haunted land stretching for leagues on every side A mere handful of troops was quartered there technically two companies of infantry yet numbering barely enough for one and this in spite of rumors daily drifting to us that the Sacs and Foxes with their main village just below were already becoming restless and warlike inflamed by the slow approach of white settlers into the valley of the Rock Indeed so short was the garrison of officers that the harassed commander had ventured to retain me for field service in spite of the fact that I was detailed to staff duty had borne dispatches up the Mississippi from General Gaines and expected to return again by the first boat
