Bicentennial Land Heritage Program United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Parks and Recreation, 1968. *Monuments of Diverse Heritage in Early America* Barry L. Stiefel, 2025-10-01 *Monuments of Diverse Heritage in Early America: Placemaking and Preservation by Black Indigenous and Jewish Peoples* explores a more inclusive history of preserving public historic sites. At a time when some Americans have embraced white nationalism in response to unfolding demographic changes and others celebrate individual identities over all else, an inclusive, tolerant, and unifying historical vision is sorely needed. While past preservation efforts sometimes resulted in exclusionary forms of historical inspiration that need not be the case in the future, bringing greater attention to the diverse heritage of the United States will not only help dismantle the lingering remnants of exclusionary and elitist narratives but also celebrate a pluralistic and diverse past and present. An inclusive, empowering history can provide social cohesion while allowing room for individual groups to have authority over their pasts and representation in public, side by side with one another.

The Ground Breaking Scott Ellsworth, 2022-05-17 Housatonic Book Award Winner, Longlisted for the National Book Award and Carnegie Medal in Nonfiction, Shortlisted for the J. Anthony Lukas Book Prize and Stowe Prize. One of The New York Times 11 New Books We Recommend This Week, One of Oprah Daily's 20 of the Best Books to Pick Up This May, One of The Oklahoman's 15 Books to Help You Learn About the Tulsa Race Massacre as the 100 Year Anniversary Approaches. A The Week book of the week. As seen in documentaries on the History Channel, CNN, and LeBron James's SpringHill Productions. And then they were gone. More than one thousand homes and businesses, restaurants, and movie theaters, churches, and doctors' offices, a hospital, a public library, a post office, looted, burned, and bombed from the air. Over the course of less than twenty-four hours in the spring of 1921, Tulsa's infamous Black Wall Street was wiped off the map and erased from the history books. Official records were disappeared, researchers were threatened, and the worst single incident of racial violence in American history was kept hidden for more than fifty years. But there were some secrets that would not die. A riveting and essential new book, *The Ground Breaking*, not only tells the long-suppressed

story of the notorious Tulsa race massacre It also unearths the lost history of how the massacre was covered up and of the courageous individuals who fought to keep the story alive Most important it recounts the ongoing archaeological saga and the search for the unmarked graves of the victims of the massacre and of the fight to win restitution for the survivors and their families Both a forgotten chronicle from the nation s past and a story ripped from today s headlines *The Ground Breaking* is a page turning reflection on how we as Americans must wrestle with the parts of our history that have been buried for far too long *Chronicles of Oklahoma* James Shannon Buchanan,2011 *Congressional Record* United States. Congress,1979 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789 1824* the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **William Francis Bartlett** Richard A. Sauers,Martin H. Sable,2009-03-11 Frank Bartlett was an indifferent student at Harvard when the Civil War began in 1861 but after he joined the Union army he quickly found that he had an aptitude for leadership and rose from captain to brevet major general by 1865 Over the course of the war he was wounded three times one injury resulted in the loss of a leg but he remained on active duty until he was captured in 1864 His political stance gained him some national fame after the war but he struggled with repeated business stress until tuberculosis and other illnesses led to his early death at age 36
