By the Gift and Power of God Leo Kappa,2018-06-12 Although Christian academics such as Dr Stephen Webb Margaret Barker and Richard Mouw classify the Latter Day Saints as Christian most ordinary believing Christians remain unaware of just how very Christ

centered the LDS Church is and what a strong position the church holds scripturally and theologically Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon the prophet Joseph Smith the historic Christian apostasy and the prophecies of Gods great and marvelous latter day work which is a new dispensation to set things rightnamely the restoration we announce to the world Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth

The Bible Dictionary. Illustrated, Etc ,1863 They Never Told Me This in Church! Greg S. Deuble,2006 There is a consensus among many New Testament scholars that much of what the historical Jesus and his apostles taught has been submerged by an influx of post biblical tradition Subtle foreign influences mostly from pagan Greek philosophy which neither Jesus nor his first century followers would recognize or endorse have obscured the original Gospel as Jesus preached it Most churchgoers accept without question unbiblical traditions which they have never seriously investigated In They Never Told Me This in Church Greg Deuble invites the reader to a careful re examination of the faith once delivered in the light of the Hebrew heritage which formed the framework of all that Jesus taught in regard to himself and his Gospel mission From the Foreword This does not mean at all that Greg has given up faith in holy Scripture Far from it There is nothing trendy or gimmicky in his approach Rather he has learned to read the Bible from its own Hebrew perspective and shedding a large quantity of traditional baggage has made the Bible all the more brilliant and telling Because he is an honest student of truth Greg has been rewarded with unusual insight He has a knack of getting to the heart of the issues He has brought in a wealth of modern scholarly support for his argument and the quotations gleaned from his wide reading are impressive He adds a pleasing dose of Aussie humour to his writing while he invites us to re examine all the major issues of biblical theology The personal warmth of the author and his pastoral touch are evident in all he writes They Never Told Me This in Church will inspire and challenge all who claim devotion to Jesus and many who are searching for the meaning of his role in history They will be enabled to read the Bible with new eyes The confused state of divided Christendom in our time demands just such an honest and radical investigation
