the fault for the rebellion lay with the foreigners His personal life was just as dramatic He had a Chinese lady friend Miss Ayaou with whom he had three children He sent them to be brought up by a foster family in London Then he married an Irish lady from his home place they also had three children He did everything possible to prevent each family from knowing of or meeting the other Mark O'Neill uses a wide range of sources in English and Chinese to describe this fascinating and complex character in all his many colours **Government, Imperialism and Nationalism in China** Chihyun Chang, 2013-08-06

The Chinese Maritime Customs Service which was led by British staff is often seen as one of the key agents of Western imperialism in China the customs revenue being one of the major sources of Chinese government income but a source much of which was pledged to Western banks as the collateral for and interests payments on massive loans This book however based on extensive original research considers the lower level staff of the Chinese Maritime Customs Service and shows how the Chinese government struggling to master Western expertise in many areas pursued a deliberate policy of encouraging lower level staff to learn from their Western superiors with a view to eventually supplanting them a policy which was successfully carried out The book thereby demonstrates that Chinese engagement with Western imperialists was in fact an essential part of Chinese national state building and that what looked like a key branch of Chinese government delegated to foreigners was in fact very much under Chinese government control Half a Decade of Chinese Studies (1886-1891) Henri
