**Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design

of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

**Love, Lust, and License in Early Modern England** Johanna Rickman,2008 Focusing on cases of extramarital sex Johanna Rickman investigates fornication adultery and bastard bearing among the English nobility from about 1560 to 1630 She analyzes cases of illicit sex from a gendered perspective illuminating the place of women in aristocratic culture both as individual historical subjects and as a social group Her sources include collections of family papers state papers literary texts and legal documents

**Arrival of the First Africans in Virginia** Ric Murphy,2020-08-31 In 1619 a group of thirty two African men women and children arrived on the shores of Virginia They had been kidnapped in the royal city of Kabasa Angola and forced aboard the Spanish slave ship San Juan Bautista The ship was attacked by privateers and the captives were taken by the English to their New World colony This group has been shrouded in controversy ever since Historian Ric Murphy documents a fascinating story of colonialism treason piracy kidnapping enslavement and British law

*In Amazonia* Hugh Raffles,2014-09-15 The Amazon is not what it seems As Hugh Raffles shows us in this captivating and innovative book the world s last great wilderness has been transformed again and again by human activity In Amazonia brings to life an Amazon whose allure and reality lie as much or more in what people have made of it as in what nature has wrought It casts new light on centuries of encounter while describing the dramatic remaking of a sweeping landscape by residents of one small community in the Brazilian Amazon Combining richly textured ethnographic research and lively historical analysis Raffles weaves a fascinating story that changes our understanding of this region and challenges us to rethink what we mean by nature Raffles draws from a wide range of material to demonstrate in contrast to the tendency to downplay human agency in the Amazon that the region is an outcome of the intimately intertwined histories of humans and nonhumans He moves between a detailed narrative that analyzes the production of scientific knowledge about Amazonia over the centuries and an absorbing account of the extraordinary transformations to the fluvial landscape carried out over the past forty years by the inhabitants of Igarap Guariba four hours downstream from the nearest city Engagingly written theoretically inventive and vividly illustrated the book introduces a diverse range of characters from sixteenth century explorers and their native rivals to nineteenth century naturalists and contemporary ecologists logging company executives and river traders A natural history of a different kind In Amazonia shows how humans animals rivers and forests all participate in the making of a region that remains today at the center of debates in environmental politics
