Shapiro, Tom Jicha, 2015-10-30 A number of books and articles have been written ranking the best situation comedies of all time These have all had something in common subjective criteria based on the authors opinions This book attempts an objective ranking of the best 100 American sitcoms based on a mathematical formula taking into account four factors ratings longevity peer acceptance and spawning of other programs spin offs The authors considered a field of 377 series which met at least one of four criteria aired for at least three seasons rated among top 30 series in at least one season received at least one major Emmy nomination or spawned at least one other series A critical essay is provided for each series along with air dates and cast listings Media Literacy Peyton Paxson, 2002 BEST SELLER Builds critical thinking skills to last a lifetime Builds critical and analytical viewing skills Explores value messages embedded in programs and advertising Helps students recognize the social and economic considerations that affect news reporting A Center for Media Literacy Recommended Resource **Critiquing the Sitcom** Joanne Morreale, 2002-12-01 This is the first anthology that examines the TV sitcom in terms of its treatment of gender family class race and ethnic issues The selections range from early shows such as I Remember Mama George Lipsitz s Why Remember Mama The Changing Face of a Woman s Narrative to the more recent Roseanne Kathleen Rowe Karlyn s Roseanne Unruly Woman as a Domestic Goddess The volume also looks unflinchingly at major controversies for example the NAACP boycott of the stereotypical yet wildly popular Amos n Andy and the queer reading of Laverne and Shirley These diverse essays constitute a veritable history of postwar American mores Some are classic some forgotten but all indicate the importance of considering text and subtext social historic industrial in the critical study of television A final chapter by Joanne Morreale bids sitcoms adieu with the cultural spectacle of Seinfeld s last episode Queens of Comedy Susan Horowitz, 2012-10-12 Through candid personal interviews with Lucille Ball Carol Burnett and other visionary performers

Queens of Comedy explores how comediennes have redefined the roles of women in not only the entertainment business but society as a whole Detailing both their public and private lives as well as their many and varied performances Queen of Comedy examines the impact these women have had on the predominantly male oriented world of comedy Performers like Carol Burnett Joan Rivers and their more recent counterparts comediennes Brett Butler and Roseanne have helped to sift women's roles in comedy from object to subject This book maps out this shift providing an often brutally honest picture of women's lives in both the spotlight of comedy and this modern world

American media culture Zooming in on a distinct televisual comedy genre Katja Schulze explores the formal principles media specific realizations and the cultural work of disparagement in contemporary female led situation comedies Subsequently larger patterns of gender based invective strategies and conventions that define the dynamism of this comedic genre come into view Her study outlines case studies of popular sitcoms like Parks and Recreation Mike Molly and the revival of hit sitcom Roseanne thereby unearthing how the shows are able to stage humor as mass mediated deprecation a signifying practice with its own poetics and politics
