Six Days Of War:

Six Days of War Michael B. Oren, 2003-06-03 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of *Ally now* featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist's command of narrative and a historian's grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative *Six Days of War* is the most important book on the Middle East conflict to appear in a generation Praise for *Six Days of War* Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren's book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it's one of the best written books I've read this year in any genre The Jerusalem Post In Michael Oren's richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren's narrative is precise but written with great literary flair In no one else's study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News [The Six Day War](#) Randolph Spencer Churchill, Winston Spencer Churchill, 1967 **Six Days of War** Michael B. Oren, 2017-06-06 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of *Ally now* featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist's command of narrative and a historian's grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly

succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative Six Days of War is the most important book on the Middle East conflict to appear in a generation Praise for Six Days of War Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren s book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it s one of the best written books I ve read this year in any genre The Jerusalem Post In Michael Oren s richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren s narrative is precise but written with great literary flair In no one else s study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News

The Six Day War Guy Laron, 2017-02-21 The author of Origins of the Suez Crisis makes us look afresh at the events that led to conflict between Israel and its neighbors Financial Times One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria s often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron s fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading Moment A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value Kirkus Reviews

The Six-Day War and Israeli Self-Defense John Quigley, 2013 The war of June 1967 between Israel and Arab states was widely perceived as being forced on Israel to prevent the annihilation of its people by Arab armies hovering on its borders Documents now declassified by key governments question this view The UK USSR France and the USA all knew that the Arab states were not in attack mode and tried to dissuade Israel from attacking In later years this war was held up as a precedent allowing an attack on a state that is expected to attack It has even been used to

justify a pre-emptive assault on a state expected to attack well in the future. Given the lack of evidence that it was waged by Israel in anticipation of an attack by Arab states, the 1967 war can no longer serve as such a precedent. This book seeks to provide a corrective on the June 1967 war. *The Arab-Israeli Six-Day War* Jeff Hay, 2012-12-28. This volume explores the 1967 Six Day War between Israel and several neighboring Arab nations. Readers are offered background information on the events leading up to and during the war, as well as varying views on the controversies surrounding the war and its aftermath. Readers will evaluate whether Israel should hold on to the post-1967 borders and the impact of the postwar occupations. Personal narratives come from Israeli, Palestinian, and other perspectives, allowing readers to develop opinions from the words of those who experienced it themselves.

The Six Day War 1967 Simon Dunstan, 2013-02-20. A concise explanation of the campaigns in which Israel took over the West Bank and the Golan Heights. Following the lightning destruction of the Egyptian forces at the outbreak of the Six Day War, Israel turned to the forces of Jordan and Syria, with whom Egypt had signed a mutual defence pact and which had now entered the war. Jordan's army moved against West Jerusalem and central Israel, while Syria began shelling Israeli towns from the seemingly impregnable Golan Heights. The IDF's invasion of the Golan was as risky and successful as its more famous Egyptian victory, but its success in Jordan, taking the West Bank, sowed the seeds of its future troubles. Comprehensively illustrated with artwork, maps, and battlefield views, this new history brings one of the most important of 20th-century campaigns to life.

The June 1967 Arab-Israeli Six-Day War Tom Cooper, Efraim Sandler, 2024-01-20. In June 1967, Israel, which seemed on the verge of being annihilated by its Arab neighbors, took six days to redraw the Middle Eastern strategic map in one of the most dramatic reversals of fortune in modern times. The success was over a decade in the making, following the Suez Crisis, with the Israeli forces being radically changed to create an army and air force upon which the country would rely when it became obvious the international community would take no action to implement guarantees made after the events of 1956. The Israeli forces were honed in low-level clashes during the 1960s, notably the Water Wars, which the Israelis did so much to provoke. By contrast, the Arab forces became complacent, largely due to supplies of arms from the Warsaw Pact states. With proper training, this complacency could have been turned into military effectiveness, but the Arab forces were plagued by internal rivalries and high commands too often depending upon politically reliable officers rather than those who were militarily effective. The Egyptian forces were further undermined by their commitment to the debilitating Yemen Civil War, which meant they were in no condition to confront Israel. Syria and Jordan, whose forces could not fight the Israelis alone, complained loudly about President Nasser's lack of action against Israel. Nasser's decision in early 1967 to regain the prestige he had lost since the heady days of the Suez Crisis, with a demonstration in the Sinai Peninsula, was interpreted by the Israelis as preparations for an invasion. Nasser did nothing to persuade them otherwise, and when it was clear the international community would do nothing, the Israelis decided to strike Egypt, and in turn Syria and Jordan. The Israeli campaign was heralded by a massive surprise air attack, first on the Egyptians.

and then on the other neighboring states and ground offensives then followed in succession Volume 1 of The June 1967 Arab Israeli Six Day War provides an in depth background to the long running confrontation between Arab and Jew in the Middle East a detailed overview of the rival air forces that would become embroiled in the conflict and an account of the opening Israeli air strikes against Egyptian targets This volume is illustrated throughout with original photographs and includes specially commissioned full color aircraft profiles

The Soviet Union and the June 1967 Six Day War Yaacov Ro'i, Boris Morozov, 2008 Why did the Soviet Union spark war in 1967 between Israel and the Arab states by falsely informing Syria and Egypt that Israel was massing troops on the Syrian border Based on newly available archival sources The Soviet Union and the June 1967 Six Day War answers this controversial question more fully than ever before Directly opposing the thesis of the recently published Foxbats over Dimona by Isabella Ginor and Gideon Remez the contributors to this volume argue that Moscow had absolutely no intention of starting a war The Soviet Union's reason for involvement in the region had more to do with enhancing its own status as a Cold War power than any desire for particular outcomes for Syria and Egypt In addition to assessing Soviet involvement in the June 1967 Arab Israeli Six Day War this book covers the USSR's relations with Syria and Egypt Soviet aims U S and Israeli perceptions of Soviet involvement Soviet intervention in the Egyptian Israeli War of Attrition 1969 70 and the impact of the conflicts on Soviet Jewish attitudes This book as a whole demonstrates how the Soviet Union's actions gave little consideration to the long or mid term consequences of their policy and how firing the first shot compelled them to react to events

Arab Politics, Palestinian Nationalism and the Six Day War Moshe Shemesh, 2007-11-25 The Six Day War was the climax in the deterioration of the Arab Israeli conflict This study deals with such issues as the relevance of the Filastin problem as key to understanding the descent to war the pivotal Syrian water struggle as a key motivating factor and the Hashemite regime's response to Palestinians heightened national awakening

Six Days Jeremy Bowen, 2013-12-03 A fast paced hour by hour narrative of the 1967 war the most gripping military tale since the fall of France in the Second World War Daily Telegraph The ongoing tensions between Israel and Palestine are a complex and bloody legacy all stemming from six days of war in 1967 In this rigorous and original piece of modern history Jeremy Bowen not only sheds new light on one of the key conflicts of the twentieth century but also explains much about the Middle East and the problems it faces today After the state of Israel emerged from war in 1948 both sides knew more battles were coming In June of 1967 years of slow burning tension exploded In six extraordinary days Israel destroyed the armed forces of Egypt Jordan and Syria But far from bringing peace their stunning victory turned into a curse From the initial battle order issued to the Israeli air force on June 5 1967 to the final ceasefire on the evening of Saturday the 10th the Six Day War was a riveting human drama Building on original research and his own experience as a Middle East Correspondent Bowen presents a compelling new history of the conflict Interweaving testimonies of combatants from all sides Six Days vividly recreates the bullying and brinksmanship that led four nations to war

Combined Arms Warfare in Israeli Military

History David Rodman, 2018-12-07 Combined arms warfare CAW the integration of different arms on the battlefield e.g. armor infantry artillery aircraft and engineers in order to achieve maximal efficiency there is as old as war itself Every army across both time and space that has engaged in combat has practiced one version or another of CAW whether consciously or otherwise The Israel Defense Forces IDF has been no exception to the rule This book traces the Israeli experience with CAW from the country's War of Independence in 1947-49 against a coalition of Arab states through Operation Protective Edge in 2014 against a coalition of Hamas led terrorist insurgent groups It describes and analyzes the IDF's practice of CAW in each interstate war IW asymmetrical war AW and low intensity conflict LIC that Israel has fought since the country's establishment in the mid twentieth century The book also highlights the Israeli approach to CAW in respect of special operations SPEC OPS With no end in sight to the Arab-Israeli conflict and with further hostilities between Israel and its neighbors virtually assured in the future Combined Arms Warfare in Israeli Military History constitutes an essential addition to the literature about Middle Eastern warfare This book is aimed primarily at the academic and research community but it is fully accessible to anyone with an interest in Israeli military history

Victory, Defeat, or Draw David Rodman, 2020-12-09 Three outcomes are possible on the battlefield victory defeat or draw An adversary may defeat or be defeated by its adversary or neither of the two may emerge victorious or vanquished Observers of military history have long tried to identify the variables that determine victory defeat or draw While most would certainly acknowledge that decisions on the battlefield are dictated by a combination of variables rather than by a lone circumstance many observers nevertheless tend to stress a single variable for example the number of fighting men and fighting machines deployed by the adversaries or the operational doctrines employed by the opposing forces as far more significant to the explanations of these decisions than other variables This book in contrast takes a multicausal approach to the question of victory defeat or draw proposing that a combination of six organizational material and environmental variables are pivotal to the explanation of decision on the battlefield Using the extensive history of the Israel Defense Forces the book examines a sample of eight battles across the Arab-Israeli conflict from 1948 to 1982 in order to determine the collective impact of the six variables on the outcomes of these battles concluding that this basket of variables captures much of the explanation behind victory defeat or draw on the battlefield at least insofar as concerns the record of the IDF While the research in this book is aimed primarily at military historians and military practitioners it is fully accessible to any layperson interested in Israeli military history in particular or international military history in general

Human Nature and the Causes of War John David Orme, 2018-04-07 What are the causes of war Wars are generally begun by a revisionist state seeking to take territory The psychological root of revisionism is the yearning for glory honor and power Human nature is the primary cause of war but political regimes can temper or intensify these passions This book examines the effects of six types of regime on foreign policy monarchy republic and sultanistic charismatic and military and totalitarian dictatorship Dictatorships encourage and unleash human ambition and are thus the

governments most likely to begin ill considered wars Classical realism modified to incorporate the impact of regimes and beliefs provides a more convincing explanation of war than neo realism **Return to Zion** Eric Gartman,2015 The history of modern Israel is a story of ambition violence and survival Return to Zion traces how a scattered and stateless people reconstituted themselves in their traditional homeland only to face threats by those who during the many years of the dispersion had come to regard the land as their home This is a story of the ingathering of the exiles from Europe to an outpost on the fringes of the Ottoman Empire of courage and perseverance and of reinvention and tragedy Eric Gartman focuses on two main themes of modern Israel reconstitution and survival Even as new settlers built their state they faced constant challenges from hostile neighbors and divided support from foreign governments as well as being attacked by larger armies no fewer than three times during the first twenty five years of Israel s history Focusing on a land torn by turmoil Return to Zion is the story of Israel the fight for independence through the Israeli Independence War in 1948 the Six Day War of 1967 and the near collapse of the Israeli Army during the 1973 Yom Kippur War Gartman examines the roles of the leading figures of modern Israel Theodor Herzl Chaim Weizmann David Ben Gurion Golda Meir Moshe Dayan Yitzchak Rabin and Ariel Sharon alongside popular perceptions of events as they unfolded in the post World War II decades He presents declassified CIA White House and U S State Department documents that detail America s involvement in the 1967 and 1973 wars as well as proof that the Israeli attack on the USS Liberty was a case of mistaken identity Return to Zion pulls together the myriad threads of this history from inside and out to create a seamless look into modern Israel s truest self

Menachem Begin and the Israel-Egypt Peace Process Gerald M. Steinberg,Ziv Rubinovitz,2019-02-27 This political biography sheds new light on the vital role played by the Israeli Prime Minister in establishing peaceful relations with Egypt Focusing on the character and personality of Menachem Begin Gerald Steinberg and Ziv Rubinovitz offer a new look into the peace negotiations between Israel and Egypt in the 1970s Begin s role as a peace negotiator has often been marginalized but this sympathetic and critical portrait restores him to the center of the diplomatic process Beginning with the events of 1967 Steinberg and Rubinovitz look at Begin s statements on foreign policy including relations with Egypt and his role as Prime Minister and chief signer of the Israel Egypt peace treaty While Begin did not leave personal memoirs or diaries of the peace process Steinberg and Rubinovitz have tapped into newly released Israeli archives and information housed at the Jimmy Carter Presidential Library and the Begin Heritage Center The analysis illuminates the complexities that Menachem Begin faced in navigating between ideology and political realism in the negotiations towards a peace treaty that remains a unique diplomatic achievement [Background of the Six-day War](#) Jan Dziedzic,Tadeusz Walichnowski,1969 [Just War in Religion and Politics](#) Jacob Neusner,Bruce D. Chilton,R. E. Tully,2013-04-18 The basis of this collection of essays is the reading of a common topic from different perspectives Half of the book is devoted to the comparative study of religions and the courses are offered by religion professors The other half is shaped by social science approaches and the seminars are given mainly by

social science professors We aim to compare and contrast not only positions but also methods of learning We examine theories of the just war in diverse cultural contexts and their disciplinary settings Space is devoted to the study of papers prepared for this project by specialists in various disciplines mainly but not exclusively faculty of Bard College and the United States Military Academy at West Point

Six-Day War 1967 Shlomo Aloni, 2019-06-27 On one day in June the balance of air power in the Middle East was turned upside down by perhaps the most ruthlessly effective air superiority campaign in history Operation Moked or Focus In 1967 the Israeli Air Force was outnumbered more than two to one by the jets of hostile Egypt Syria Jordan and Iraq Operation Focus was Israel's ingenious strike plan to overturn the balance At 0745hrs on June 6 Israeli jets hit Egypt's airfields simultaneously first bombing runways and then strafing aircraft Another 20 follow up missions were already in the air initially scheduled to hit every five minutes This new history of Operation Focus explains how the concept for Focus was devised and meticulously planned the astonishing rate of serviceability and turnaround speed it required from ground crews and how the relentless tempo of strikes shattered one air force after another It is the story of how Israel's victory in the Six Day War began with a single shocking day

Abba Eban Asaf Siniver, 2015-11-03 Based on interviews with dozens of people and research in more than twenty archival collections this clear-eyed biography deserves to be called definitive Kirkus Reviews starred review Born in South Africa educated in England and ultimately a major figure in Israeli history Abba Eban was a skilled debater a master of multiple languages and a passionate defender of the Jewish state But his diplomatic presence was in many ways a contradiction unlike any the world has seen since While he was celebrated internationally for his exceptional wit and his moderate reasoned worldview these same qualities painted him as elitist and foreign in his home country The disparity in perception of Eban at home and abroad was such that both his critics and his friends agreed that he would have been a wonderful prime minister in any country but Israel In Abba Eban Asaf Siniver paints a nuanced and complete portrait of one of the most complex figures in twentieth century foreign affairs We see Eban growing up and coming into his own as part of the Cambridge Union and watch him steadily become known as The Voice of Israel Siniver draws on a vast amount of interviews writings and other newly available material to show that in his unceasing quest for stability and peace for Israel Eban's primary opposition often came from the homeland he was fighting for no matter how many allies he gained abroad the man never understood his own domestic politics well enough to be as effective in his pursuits as he hoped The first examination of Eban in nearly forty years this is a fascinating look at a life that still offers a valuable perspective on Israel today Siniver's principal achievement is his artful documentation of the tension between Eban the intellectual and Eban the politician Such lofty thoughts do not distract Mr Siniver from listing the indiscretions and dishonesty to which Eban in his politician's guise occasionally succumbed The Wall Street Journal Siniver's levelheaded account looks at the history of Israel through the life of the country's eloquent defender The New York Times Book Review Editor's Choice
