Skandinavien Bei Plinius Und Ptolemaios

Ying-Ying Zheng

Skandinavien Bei Plinius Und Ptolemaios:

Cassiodorus, Jordanes and the History of the Goths Arne Soby Christensen, 2002 This book is a study in the myth of the origins and early history of the Goths as told in the *Getica* written by Jordanes in AD 551 Jordanes claimed they emigrated from the island of Scandza Sweden in 1490 BC thus giving them a history of more than two thousand years He found this narrative in Cassiodorus Gothic history which is now lost The present study demonstrates that Cassiodorus and Jordanes did not base their accounts on a living Gothic tradition of the past as the *Getica* would have us believe On the contrary they got their information only from the Graeco Roman literature The Greeks and Romans however did not know of the Goths until the middle of the third century AD Consequently Cassiodorus and Jordanes created a Gothic history partly through an erudite exploitation of the names of foreign peoples and partly by using the narratives about other peoples history as if they belonged to the Goths The history of the Migrations therefore must be reconsidered **The Geographical Guide of Ptolemy of Alexandria** Duane W. Roller, 2023-12-15 This volume offers a detailed study of Ptolemy of Alexandria's Geographical Guide whose eight books contain a wealth of geographical information unavailable elsewhere and represent the culmination of the Greco Roman discipline of geography Written near the middle of the second century AD the Geographical Guide is the most anomalous of the surviving works of ancient geographical scholarship but offers a vivid record of the expansion of geographical knowledge in antiquity Roller examines this peculiar text which offers unique data about explorations in the far reaches of the inhabited world from Thule and Hibernia in the northwest to Kattigara in the southeast and from Serice in northeastern Asia southwest into central Africa He positions the Guide within the tradition of ancient geography and gives close attention to the reason why Ptolemy wrote the guide and how it contributes to the genre of geographical scholarship There is also an emphasis on the topographic and ethnic material within the Guide that is new or unique especially explorations in sub Saharan Africa and knowledge of the world beyond India Because the Guide was written over half a century after the previous extant geographical work the first books of Pliny's *Natural History* the book also assesses how knowledge of geography changed during this period This work is an essential text for students and scholars of ancient geography and is also of interest to anyone working on the cultural history of the Roman Empire during this period *History of the Goths* Herwig Wolfram, 1990 Provides an overview on the formation of the Gothic tribes their migrations and the later history of the Ostrogothic and Visigothic settlements *The Migration Period between the Oder and the Vistula (2 vols)*, 2020-03-17 This collection of studies is the result of a six year interdisciplinary research project undertaken by an international team of archaeologists historians numismatists and paleobotanists It constitutes a completely new approach to environmental cultural and settlement changes during the Migration Period in Central Europe Part One discusses written sources theories regarding migration and environmental change in the first millennium AD In Part Two archaeological sources relating to Central Europe in the Migration Period are analysed while Part Three is devoted to new

discoveries between the Oder and the Vistula including traces of Germanic settlement in northern Poland in the early seventh century In Part Four evidence for cultural and settlement changes in neighbouring areas is characterized in a comparative light

The Northern Routes to Kingship Dagfinn Skre,2025-01-31 This book argues that tribal Scandinavia was set on the route to kingship by the arrival in the AD 180s 90s of warrior groups that were dismissed from the Roman army after defeating the Marcomanni by the Danube Using a range of evidence this book details how well equipped and battle seasoned warriors familiar with Roman institutions and practices seized land and established lordly centres It shows how these new lords acquired wealth by stimulating the production of commodities for trade with peers and Continental associates Romans included to reward retainers and bestow on partners In these transcultural circumstances lords and their retainers nurtured artisanal production of exquisite quality and developed a heroic ethos and refined hall etiquette The topic of warfare created by the volatile politics of lordly cooperation and competition is also explored Venturing substantially beyond the usual scope of syntheses of this period this book looks at how the break up of the Western Roman Empire and the rise of Great tribes such as the Franks and Goths influenced lords and tribal leaders across Scandinavia to form kingdoms emulating what they for centuries had considered the superior polity the Roman Empire This book s fresh take on disputed research topics will inspire scholars students and interested readers to delve further into this pivotal period of European history

History and Geography in Late Antiquity A. H. Merrills,2005-08-11 The period from the fifth century to the eighth century witnessed massive political social and religious change in Europe Geographical and historical thought long rooted to Roman ideologies had to adopt the new perspectives of late antiquity In the light of expanding Christianity and the evolution of successor kingdoms in the West new historical discourses emerged which were seminal in the development of medieval historiography Taking their lead from Orosius in the early fifth century Latin historians turned increasingly to geographical description as well as historical narrative to examine the world around them This book explores the interdependence of geographical and historical modes of expression in four of the most important writers of the period Orosius Jordanes Isidore of Seville and the Venerable Bede It offers important readings of each by arguing that the long geographical passages with which they were introduced were central to their authors historical assumptions and arguments

Rulership in 1st to 14th century Scandinavia Dagfinn Skre,2019-12-16 This book seeks to revitalise the somewhat stagnant scholarly debate on Germanic rulership in the first millennium AD A series of comprehensive chapters combines literary evidence on Scandinavia s polities kings and other rulers with archaeological documentary toponymical and linguistic evidence The picture that emerges is one of surprisingly stable rulership institutions sites and myths while control of them was contested between individuals dynasties and polities While in the early centuries Scandinavia was integrated in Germanic Europe profound societal and cultural changes in 6th century Scandinavia and the Christianisation of Continental and English kingdoms set northern kingship on a different path The pagan heroic warrior ethos essential to kingship was developed and refined only to recur

overseas embodied in 9th 10th century Vikings Three chapters on a hitherto unknown masonry royal manor at Avaldsnes in western Norway excavated 2017 concludes this volume with discussions of the late medieval peak of Norwegian kingship and its eventual downfall in the late 14th century This book's discussions and results are relevant to all scholars and students of 1st millennium Germanic kingship politics and societies

Irish Influence on Medieval Welsh Literature Patrick Sims-Williams, 2011 Patrick Sims Williams provides an approach to some of the issues surrounding Irish literary influence on Wales situating them in the context of the rest of medieval literature and international folklore

Roman Reflections Klavs Randsborg, 2015-01-29 *Roman Reflections* uses a series of detailed and deeply researched case studies to explore how Roman society connected with and influenced Northern Europe during the Iron and Viking Ages In an original way the book brings late prehistoric Denmark best known for its so called bog bodies into a world dominated by textual histories principally that of Tacitus The studies include a new examination of the bog bodies of the late first millennium BC a classical archaeological puzzle men women and children murdered yet respected in death and adorned with items of fine clothing A second essay challenges traditionally held ideas about the Cimbri by exploring the textual and archaeological evidence including the startling and famous European artefact the Gundestrup silver cauldron The other studies comprise an archaeologically founded modernist discussion of the ethnography of Tacitus Germania in particular considering the character of ancient Germanic Bronze and Iron Age societies a linguistic exploration of the Latin inheritance in northern European names and places much of which seems to have been invented by the Romans and an analysis of the origins of the Danes Throughout traditional sources and history are presented in conjunction with new archaeological observations and interpretations In an accessible way *Roman Reflections* assesses Denmark's part on a larger stage showing how foundations were laid for its zenith in Viking times

Through the Pillars of Herakles Duane W. Roller, 2013-01-11 In this first study of the Greek and Roman exploration for over half a century Duane W Roller presents an important examination of the impact of the Greeks and Romans on the world through the Pillars of Herakles and beyond the Mediterranean Roller chronicles a detailed account of the series of explorers who were to discover the entire Atlantic coast north to Iceland Scandinavia and the Baltic and south into the Africa tropics His account examines these early pioneers and their discoveries and contributes a brand new chapter to the history of exploration Based not only on the literary evidence but also personal knowledge of the areas from the Arctic to west Africa the book looks at the people from the earliest Greeks through the Carthaginians to the Romans and examines their exploration of this vast and largely unfamiliar territory Discussing for the first time the relevance of Iceland and the Arctic to Greco Roman culture this groundbreaking work is an enthralling and informative read that will be an invaluable

study resource for Greek and Roman history courses

Roland Huntford, 2013-01-31 Predating the wheel the ski has played an important role in our history This is brilliantly brought to life in this engaging book Roland Huntford's history begins 20 000 years ago in the last ice age on the icy tundra of an unformed earth Man is a travelling animal and on these icy slopes skiing began as a means of survival That it has developed into the leisure and sporting pursuit of choice by so much of the globe bears testament to its elemental appeal In polar exploration it has changed the course of history Elsewhere in war and peace it has done so too The origins of skiing are bound up in with the emergence of modern man and the world we live in today

Skandinavien Bei Plinius Und Ptolemaios Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Skandinavien Bei Plinius Und Ptolemaios PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Skandinavien Bei Plinius Und Ptolemaios PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Skandinavien Bei Plinius Und Ptolemaios free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Skandinavien Bei Plinius Und Ptolemaios Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Skandinavien Bei Plinius Und Ptolemaios is one of the best book in our library for free trial. We provide copy of Skandinavien Bei Plinius Und Ptolemaios in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Skandinavien Bei Plinius Und Ptolemaios. Where to download Skandinavien Bei Plinius Und Ptolemaios online for free? Are you looking for Skandinavien Bei Plinius Und Ptolemaios PDF? This is definitely going to save you time and cash in something you should think about.
