Superhero comics reckon with issues of corporeal control And while they commonly deal in characters of exceptional or superhuman ability they have also shown an increasing attention and sensitivity to diverse forms of disability both physical and cognitive The essays in this collection reveal how the superhero genre in fusing fantasy with realism provides a visual forum for engaging with issues of disability and intersectional identity race ethnicity class gender and sexuality and helps to imagine different ways of being in the world Working from the premise that the theoretical mode of the uncanny with its interest in what is simultaneously known and unknown ordinary and extraordinary opens new ways to think about categories and markers of identity *Uncanny Bodies* explores how continuums of ability in superhero comics can reflect resist or reevaluate broader cultural conceptions about disability The chapters focus on lesser known characters such as Echo Omega the Unknown and the Silver Scorpion as well as the famous Barbara Gordon and the protagonist of the acclaimed series *Hawkeye* whose superheroic uncanniness provides a counterpoint to constructs of normalcy Several essays explore how superhero comics can provide a vocabulary and discourse for conceptualizing disability more broadly Thoughtful and challenging this eye opening examination of superhero comics breaks new ground in disability studies and scholarship in popular culture In addition to the editors the contributors are Sarah Bowden Charlie Christie Sarah Gibbons Andrew Godfrey Meers Marit Hanson Charles Hatfield Naja Later Lauren O Connor Daniel J O Rourke Daniel Pinti Lauranne Poharec and Deleasa Randall Griffiths

*Maya Deren* Sarah Keller, 2014-12-09 Maya Deren 1917 1961 was a Russian born American filmmaker theorist poet and photographer working at the forefront of the American avant garde in the 1940s and 1950s Influenced by Jean Cocteau and Marcel Duchamp she is best known for her seminal film *Meshes of the Afternoon* 1943 a dream like experiment with time and symbol looped narrative and provocative imagery setting the stage for the twentieth century s groundbreaking aesthetic movements and films Maya Deren assesses both the filmmaker s completed work and her numerous unfinished projects arguing Deren s overarching aesthetic is founded on principles of incompleteness contingency and openness Combining the contrasting approaches of documentary experimental and creative film Deren created a wholly original experience for film audiences that disrupted the subjectivity of cinema its standards of continuity and its dubious facility with promoting categories of realism This critical retrospective reflects on the development of Deren s career and the productive tensions she initiated that continue to energize film

and educator Jake Jabbour found himself living alone after a breakup with his girlfriend and burying his grandpa His most impactful relationships ended stripping from him his identities as a roommate boyfriend and grandson Hoping to discover who he was when he wasn't himself Jake boarded an Amtrak train with his comedy partner to perform live improv across the country from Los Angeles to New York examining the trials tragedies and triumphs of his past that landed him alone in the most crowded cities in the country In the lineage of Chuck Klosterman's *Killing Yourself to Live* and John Steinbeck's *Travels with Charley* Jake chronicles his cross country travels with an eye trained towards relationships and culture searching for clues and connections with others that might shine a light on his own identity Along the way Jake lays bare his thoughts on grief nostalgia family failure comedy education relationships culture and self acceptance

325 (English Classics325 Sketches and Studies by Nathaniel Hawthorne) (Nathaniel Hawthorne), 2021-12-07 The author of this memoir being so little of a politician that he scarcely feels entitled to call himself a member of any party would not voluntarily have undertaken the work here offered to the public Neither can he flatter himself that he has been remarkably successful in the performance of his task viewing it in the light of a political biography and as a representation of the principles and acts of a public man intended to operate upon the minds of multitudes during a presidential canvass This species of writing is too remote from his customary occupations and he may add from his tastes to be very satisfactorily done without more time and practice than he would be willing to expend for such a purpose If this little biography have any value it is probably of another kind as the narrative of one who knew the individual of whom he treats at a period of life when character could be read with undoubting accuracy and who consequently in judging of the motives of his subsequent conduct has an advantage over much more competent observers whose knowledge of the man may have commenced at a later date Nor can it be considered improper at least the author will never feel it so although some foolish delicacy be sacrificed in the undertaking that when a friend dear to him almost from boyish days stands up before his country misrepresented by indiscriminate abuse on the one hand and by aimless praise on the other he should be sketched by one who has had opportunities of knowing him well and who is certainly inclined to tell the truth It is perhaps right to say that while this biography is so far sanctioned by General Pierce as it comprises a generally correct narrative of the principal events of his life the author does not understand him as thereby necessarily indorsing all the sentiments put forth by himself in the progress of the work These are the author's own speculations upon the facts before him and may or may not be in accordance with the ideas of the individual whose life he writes That individual's opinions however so far as it is necessary to know them may be read in his straightforward and consistent deeds with more certainty than those of almost any other man now before the public The author while collecting his materials has received liberal aid from all manner of people Whigs and Democrats congressmen astute lawyers grim old generals of militia and gallant young officers of the Mexican war most of whom however he must needs say have rather abounded in eulogy of General Pierce than in such anecdotal matter as is
