

# PITTSBURGH SLOPES

Sloping city, proud of its water  
As most cities are known to be,  
Claims proudly three rivers  
Despite many maps suggesting only two  
Or even only one and a half  
When seen in the long view.

Multi-level city built  
On a slant could promote movement  
Up and down the angles:

If they could build some sort of zigzag escalators for the  
Multi-level multi-river city where steel and deer hunters were king.  
Rick Beato

## **Slopes To The River Poems:**

*Slopes to the River* Beth Ann Bassein, 1996-01-01 Laughter nostalgia and terror permeate these poems about family growing up coping in the public arena and surviving catastrophe Subjects range from whales and skulls to beggars students a sick chicken whiskey and Saint Theresa *The Complete Poems of Rabindranath Tagore's Gitanjali* S K Paul, 2006 **The Road to East Slope** Michael Anthony Fuller, 1990 Su Shi 1037-1101 is the greatest poet of the Song Dynasty a man whose writings and image defined some of the enduring central themes of the Chinese cultural tradition Su Shi was not only the best poet of his time he was also a government official a major prose stylist a noted calligrapher an avid herbalist a dabbler in alchemy and a broadly learned scholar The author shows how this complex personality was embodied in Su Shi's work and traces the evolution of his poems from juvenilia to the poems written in exile in Huangzhou where Su settled on a farm at East Slope **The Humblest Sparrow** Michael Roberts, 2009-04-29 In *The Humblest Sparrow* Michael Roberts illuminates the poetry of the sixth century bishop and poet Venantius Fortunatus Often regarded as an important transitional figure Fortunatus wrote poetry that is seen to bridge the late classical and earlier medieval periods Written in Latin his poems combined the influences of classical Latin poets with a medieval tone giving him a special place in literary history Yet while interest has been growing in the early Merovingian period and while the writing of Fortunatus patron Gregory of Tours has been well studied Fortunatus himself has often been neglected This neglect is remedied by this in depth study which will appeal to scholars of late antique early Christian and medieval Latin poetry Roberts divides Fortunatus poetry into three main groups poetry of praise hagiographical poetry and personal poetry In addition to providing a general survey Roberts discusses in detail many individual poems and proposes a number of theses on the nature function relation to social and linguistic context and survival of Fortunatus poetry as well as the image of the poet created by his work Jacket illustration L Alma Tadema *Venantius Fortunatus Reading his Poems to Radegonda VI AD 555* Courtesy of Dordrecht Dordrechts Museum [A Concordance to the Poems of John Keats](#) Michael G. Becker, Robert J. Dilligan, Todd K. Bender, 2016-05-05 First published in 1981 *A Concordance to the Poems of John Keats* intended to provide the user with a volume suitable to the varying and increasingly specialised interests of scholarship This title offers a high degree of inclusiveness that attends to the poems and plays the emended and authoritative headings and virtually all of the variant readings considered substantive in the riches of the Keats manuscript materials This title will be of interest to students of literature **The Late Poems of Wang An-Shih** Wang An-Shih, 2015-03-19 A selection of poems by the ancient Chinese poet and statesman Wang An Shih translated by David Hinton Wang An shih 1021-1086 C E was a remarkable figure not only one of the great Sung Dynasty poets but also the most influential and controversial statesman of his time Although Wang had little interest in the grandeur of high office and political power he took the responsibility of serving the people seriously He rose to become prime minister and in this position he instituted a controversial system of radically egalitarian social reforms to improve the lives of China's

peasants Once those reforms were securely in place Wang retired to a reclusive life of artistic and spiritual self cultivation It was after his retirement practicing Chan Zen Buddhism and wandering the mountains around his home that Wang An shih wrote the poems that made his reputation Short and plainspoken these late poems contain profound multitudes the passing of time rivers and mountains silence and Buddhist emptiness They won him wide acclaim in China and beyond across the centuries And in Hinton s breathtaking translations Wang feels like a major contemporary poet with deep ecological insight and a questioning spirit

**Poems** James Hyslop,1887 [The Poetry of He Zhu \(1052-1125\)](#) Stuart Sargent,2007-03-31 The Northern Song poet He Zhu is best known for his lyrics ci but also produced shi poetry of subtlety wit and feeling This study examines the latter as a response to the options available to a late eleventh century writer in the pentametrical and heptametrical forms of Ancient Verse Regulated Verse and Quatrains Numerous comparisons are made with Su Shi Huang Tingjian Du Fu and other important writers In a major advance over previous methodologies the author uses a clear system of metrical notation to show how sound patterns reveal the poet s artistic and emotional intentions This innovation and the author s other meticulous explorations of He Zhu s artistry allow us to experience Chinese poetry as never before From the reader s report not just an excellent study of an individual poet but also a model of reading the language of classical Chinese poetry opens up a world of interpretive territory heretofore seldom explored

**The Philosophical Foundations of Classical Chinese Medicine** Keekok Lee,2017-05-04 This book makes Classical Chinese Medicine CCM intelligible to those who are not familiar with the tradition many of whom may choose to dismiss it off hand or to assess it negatively Keekok Lee uses two related strategies arguing that all science and therefore medicine cannot be understood without excavating its philosophical presuppositions and showing what those presuppositions are in the case of CCM compared with those of biomedicine Such excavations enable Lee in turn to demonstrate the following theses 1 the metaphysical ontological core of a medical system entails its own methodology how to understand diagnose and treat an illness disease 2 CCM rests on process ontology is Wholist its general mode of thinking is Contextual dyadic its implicit logic is multi valent its model of causality is non linear and multi factorial 3 Biomedicine in the main rests on thing ontology and dualism is Reductionist its logic is classical bi valent its model of causality is linear and monofactorial 4 hence to condemn CCM as unscientific pseudo scientific plain mumbo jumbo while privileging Biomedicine as the Gold Standard of scientificity is as absurd as to judge a cat to be inferior to a dog using the criteria of goodness embodied in a dog show

**The Completion of a Poem** Mu Yang,2017-06-01 The Completion of a Poem is the first book length translation of Yang Mu s poetics In eighteen letters addressed to young poets Yang Mu discusses essential questions regarding the definition of poetry a poet s growth the importance of nature and friendship the choice of subject the process of creation and publication and relationships between poet and society identity and history and poetry and truth Using a comparative approach Yang Mu draws on literary resources from Chinese and Western traditions to expound his views and this helps to nurture in young poets a vision of world poetry that connects different but equally inspiring expressions of humanity In style and in theme this book is a companion piece to Rilke s *Letters to a Young Poet* and Goethe s *Dichtung und Wahrheit* Yang Mu is not only one of the greatest living poets and essayists in the Chinese language he is also an erudite scholar deeply versed in both Chinese and Western poetic traditions from antiquity to our modern age In his eighteen letters to young poets which serve as his *Ars Poetica* he emphasizes that the creation of true poetry requires that insight and knowledge are paired with personal integrity and high moral standing Yang Mu s letters are often illuminated by exquisite landscape essays of great lyrical intensity which show his facility to allow manifestations of the outer world to reveal inner states of mind This excellent translation by Lisa Wong deserves to be read by all who consider that poetry matters
