Management Robert D. Hisrich, Veland Ramadani, 2016-12-23 This textbook provides a comprehensive overview of the essential issues in effective entrepreneurial management. It first introduces readers to the fundamentals of entrepreneurial management, the nature of entrepreneurial managers and business planning, before exploring the specific topics of creativity and innovation, risk management, entrepreneurial marketing and organization, as well as financing. The authors then move to contemporary topics such as entrepreneurial growth strategies, e-commerce challenges, ethical and socially responsible entrepreneurial management, franchising and managing entrepreneurial family ventures. Each chapter provides a case study and several practice-based examples to help explain the concepts. By providing a truly international approach, this text offers ample theoretical and empirical insights into entrepreneurship and small business management. It is a valuable and up-to-date resource for teachers and students of entrepreneurship.

New Tourism Ventures Dimitri Tassiopoulos, 2008 An entrepreneurial and managerial approach. Continual increases in wealth and leisure time have given a sharp rise to tourism, which resulted in the rapid development of tourism-related ventures such as hotels, bed and breakfast accommodation, travel agencies, restaurants, theme parks, event companies, resorts, tourist guides and tour operators, to mention a few. *New Tourism Ventures: An Entrepreneurial and Managerial Approach* provides a definitive grounding of how to create and manage such tourism ventures. It takes an entrepreneurial and managerial approach to the subject, underpinning the various concepts associated with entrepreneurship and demonstrating the linkages of the subject with the tourism economy within the context of international best practice and research.
