we take to promote our health may be doing far more harm than good As Hurley shows the dietary supplement craze may be one of the greatest swindles ever perpetrated on the American public one that feeds billions of dollars each year into the pockets of lobbyists politicians and any charlatan who wants to slap a label on a bottle and tout it as the next big natural cure Blending hard facts with spellbinding personal stories Natural Causes is a must read for anyone who has ever popped a multivitamin or an herb and provides a hard hitting frightening look at a cultural trend that is out of control *GRIT 4 LIFE* David Douglas, The book is a daily devotion for those who wish to change the relationship they have with their life It was originally designed for use within an addiction recovery facility We found that many others were improving the quality of their life through these God inspired devotions They are simply written and easy to understand therefore easily applied to your life If we allow God into our lives He will help us with our Relationships Living in God s will for our lives gives us the Integrity to walk through life with our head held high And last but not least we need to find the Truth We must put in the work to find the Truth and stop accepting what the world tells us We can use this G R I T FILTER to help us on the journey of changing the relationship we have with our lives By asking four simple questions we can avoid many of the potholes of life Those four questions are Have I invited God into my decision process How will my decision affect my Relationships What will my decision do to my Integrity Have I done the research and found the Truth before I react Living a life with G R I T will give you joy as you Transform the relationship you have with your life If you believe you have a terrible life it will be terrible If you work to change your outlook and become grateful for what you have every day becomes a blessing It is my sincere hope that these devotional messages will be a blessing to you as you start to live with G R I T GETCHASOME David Douglas
