Snap Shots Rochelle Brener, 2002-03-01 *Snapshots of the Soul* Molly Thomasy Blasing, 2021-07-15 Snapshots of the Soul considers how photography has shaped Russian poetry from the early twentieth century to the present day Drawing on theories of the lyric and the elegy the social history of technology and little known archival materials Molly Thomasy Blasing offers close readings of poems by Boris Pasternak Marina Tsvetaeva Joseph Brodsky and Bella Akhmadulina as well as by the late and post Soviet poets Andrei Sen Sen kov Arkadii Dragomoshchenko and Kirill Medvedev to understand their fascination with the visual language representational power and metaphorical possibilities offered by the camera and the photographic image Within the context of long standing anxieties about the threat that visual media pose to literary culture Blasing finds that these poets were attracted to the affinities and tensions that exist between the lyric or elegy and the snapshot Snapshots of the Soul reveals that at the core of each poet s approach to writing the photograph is the urge to demonstrate the superior ability of poetic language to capture and convey human experience Open Access edition funded by the National Endowment for the Humanities *Getting the Picture* Jason E. Hill, Vanessa R. Schwartz, 2020-09-08 Powerful and often controversial news pictures promise to make the world at once immediate and knowable Yet while many great writers and thinkers have evaluated photographs of atrocity and crisis few have sought to set these images in a broader context by defining the rich and diverse history of news pictures in their many forms For the first time this volume defines what counts as a news picture how pictures are selected and distributed where they are seen and how we critique and value them Presenting the best new thinking on this fascinating topic this book considers the news picture over time from the dawn of the illustrated press in the nineteenth century through photojournalism s heyday and the rise of broadcast news and newsreels in the twentieth century and into today s digital platforms It examines the many kinds of images sport fashion society celebrity war catastrophe and exoticism and many mediums including photography painting wood engraving film and video Packed with the best research and full colour illustrations throughout this book will appeal to students and readers interested in how news and history are key sources of our rich visual culture **Currents, Contemporary Directions in the Visual Arts** Howard J.
