and how to deal with angry people. What's more, he focuses specifically on managing anger rather than eliminating it. He draws his knowledge both from his degree in psychology and from many years of dealing with people from all walks of life who brought with them a wealth of knowledge and experience to his weekly classes in a transitional shelter. Through these classes, Stricklin has learned, relearned, changed, and reevaluated the process of embracing anger and anger management, and now he seeks to share that insight. Practical and straightforward, this guide offers down-to-earth advice on what causes anger, how to manage, accept, and express it, and how to deal with others who are angry. Let's be real for a sec: Most of us don't have time for an hour of yoga or 30 minutes of meditation every day for stress management. We're overwhelmed, as it is. Our spiritual practice shouldn't add to that. That's why Gabby Bernstein, who has been featured on Oprah's Super Soul Sunday as a next-generation thought leader, handpicked 108 simple techniques to combat our most common problems: stress, burnout, frustration, jealousy, resentment, and more. The stuff we have to deal with on a daily basis. This book is designed so that you can achieve peace and open your heart to experience miracles now. Inspired by some of the greatest spiritual teachings, these practical, moment-to-moment tools will help you eliminate blocks and live with more ease, inspiration, and purpose. They're powerful, life-changing meditations and principles, modernized and broken down into easy-to-digest techniques to fit your lifestyle.
