level Discover all the secrets and foolproof techniques for the perfect kiss in this indispensable guide to an overlooked sensual art

The Art of Kissing Hugh Morris,2014-02-15 The dictionary says that a kiss is a salute made by touching with the lips pressed closely together and suddenly parting them From this it is quite obvious that although a dictionary may know something about words it knows nothing about kissing If we are to get the real meaning of the word kiss instead of going to the old fogies who compile dictionaries we should go to the poets who still have the hot blood of youth coursing in their veins For instance Coleridge called a kiss nectar breathing Shakespeare says that a kiss is a seal of love Martial that old Roman poet who hid ample opportunity to do research work on the subject says that a kiss was the fragrance of balsam extracted from aromatic trees the rise odor yielded by the teeming saffron the perfume of fruits mellowing in their winter buds the flowery meadows in the summer amber warmed by the hand of a girl a bouquet of flowers that attracts the bees Yes a kiss is all of these and more Others have said that a kiss was the balm of love the first and last of joys love s language the seal of bliss love s tribute the melting sip the nectar of Venus the language of love Yes a kiss is all of these and more For a kiss can never be absolutely defined Because each kiss is different from the one before and the one after just as no two people are alike so are no two kisses alike For it is people who make kisses Real live people pulsating with life and love and extreme happiness In this book you will learn Different Kinds of Kisses Why People Kiss Why Kissing Is Pleasant Approved Methods of Kissing Kisses Are But Preludes to Love Preparing for the Kiss How to Approach a Girl The Technique of Kissing How to Kiss Girls with Different Sizes of Mouths Enjoy the Thrills of Kissing The French Soul Kiss Put Variety into Your Kisses The Vacuum Kiss The Spiritual Kiss The Eyelash Kiss The Pain Kiss The Nip Kiss Variation Kisses Are the Spice of Love Electric Kissing Parties The Dancing Kiss The Surprise Kiss Kissing Under the Mistletoe Kissing Games and much more *The Art of Kissing* William Cane,2010-01-05 In *The Art of Kissing* William Cane reveals that there is more to kissing than simply locking lips Through a hundred thousand interviews he has discovered the truth about what men and women do think and feel when they kiss Their input and his expert knowledge can help you to master the secrets of great kissing With specific techniques for more than thirty types of kisses this updated and revised edition features Overcoming first kiss shyness Secrets to increasing your kissability Complete instructions on French Kissing Electric kisses neck kisses ear kisses and much more Transform your kissing technique pucker up with passion and master **The Art of Kissing today**
