The Vermonter Charles Spooner Forbes, Charles R. Cummings, 1920 *The Order* Katerina St Clair, 2024-03-31 In the dystopian world of *The Order* lies betrayal and secrets become the twisted threads weaving the tapestry of Forest Blackburn's tumultuous existence Once a noble Untouchable she now stands as a martyr an unwilling symbol of defiance in a world governed by privilege and oppression As she grapples with the impending loss of self control and the enigmatic forces that threaten to unravel her life spirals into a chaotic dance of power and manipulation Forest's struggle intensifies as she endeavors to shield the Unfortunates those who once bowed at her feet from the encroaching darkness orchestrated by the leaders of her society The impending shadows of those in control loom ever closer casting doubt on her ability to maintain her precarious position above the tumultuous waters of societal upheaval Forced into an unholy alliance with the very person responsible for her life's disintegration Forest finds herself entangled in a dangerous game where every move could be her last As she confronts her own demons and battles against the relentless onslaught of external threats the line between friend and foe blurs leaving her teetering on the brink of collapse In this dark sexy and twisted second installment the quest for freedom becomes a double edged sword threatening to either save those Forest loves or obliterate everything in its relentless path As alliances shift secrets unravel and desires entwine Forest must navigate the treacherous landscape of her existence wondering if the need for freedom will be the salvation of those she cherishes or the harbinger of their ultimate demise Will she emerge from the shadows triumphant or will the demons that haunt her prove to be an inescapable force dragging her down into the abyss The stakes are higher the dangers more profound and the game has only just begun **One Mindful**

Daisy Snowflake's Secret. A Story of English Home Life Isabel Reaney,1882 *HOW TO KILL A PRESIDENT* COLT DONALDSON,2025-01-20 My inspiration for this book was my friend Peter Barcia who always encouraged me to push myself harder tackle all obstacles and not be bound by convention He was a teenage friend of mine who died far too early in life at just 25 years old He was the first of two sons whose deaths preceded their parents leaving their father Peter and mother Delores heartbroken Pete s father Peter Barcia Jr was a part time actor and a hardworking honest family man whom I had fondly admired for the years I had known him The plot line came from some interesting stories my Aunt Barbara Colt has passed down to me about her father and her uncle including Grandpop going to school with and later working for Bugsy Siegel then her grandfather John Ryan having close ties with the Longshoremen s union and a few facts about my Uncle Jackie working for Fred Trump at the Tysen apartments on Staten Island Add quite a few facts about the true life successes of the Colt family members at numerous Northeast locations including NYC Tossing in the innumerable interesting places my chosen occupation has led me to over the years several coincidences I discovered while researching my heritage a couple of real life miracles experiences by my close family members and a few of the crazy things young boys in the city do for fun and laughs Wrap it up with a bit of deception as the Colt men have been famously known for and here you have it My ultimate goal was to leave a record that I was here this book was meant solely for entertainment my father wrote several short mafia stories later in life when he was no longer driving cabs or drinking later in life I decided to see if I couldn t do the same and make something for my own family to be proud of and bring to light the accomplishments of the Colt s here in the United States I also must state while almost all of the names used in the book are factual numerous events were fabricated for plot justification
