Hands-On Advanced Literacy Strategies for Young Learners, PreK-Grade 2 Allison Bemiss, 2022-08-30 50 Hands On Advanced Literacy Strategies for Young Learners PreK Grade 2 is your go to resource for lessons strategies and activities to foster the key skills and thinking strategies needed to excel in literacy The hands on minds on literacy explorations in this book are designed to feel a lot like play but are rooted in the foundational literacy practices that all young learners need Packed with engaging and helpful reproducibles each activity is thoughtfully laid out with skill s materials introduction hands on task and reflection sections to maximize student learning Instructions on how to scaffold experiences for a wider range of ages and developmental readiness levels make this resource imminently flexible Ideal for learners in grades PreK 2 this book is for teachers curriculum coaches parents librarians and community educators looking to work on target literacy skills **The Snowman and the Snowdog** Snow Globe Running Press, 2015 **The Snow Globe** Sheila Roberts, 2010-10-26 Discover an unforgettable holiday treasure in Sheila Roberts heartwarming tale of love and laughter magic and miracles friendship and coming home On a blustery afternoon Kylie Gray wanders into an antique shop and buys an enchanting snow globe There s a story behind that snow globe the antique dealer tells her The original owner he explains was a German toymaker who lost his wife and son right before Christmas When the grieving widower received the handcrafted snow globe as a Christmas gift he saw the image of a beautiful woman beneath the glass a woman who would come into his life mend his broken heart and bring him back to the world of the living For years the snow globe has passed from generation to generation somehow always landing in the hands of a person in special need of a Christmas miracle Kiley could use a miracle herself This year all she wants for Christmas is someone to love A hopeful shake leads her on an adventure that makes a believer out of her When Kylie shares the story of the snow globe with her best friends two women with problems of their own they don t believe it But they re about to discover that at Christmastime sometimes the impossible becomes possible and miracles really do come true From Dissertation to Book William Germano, 2022-12-22 How to transform a thesis into a publishable work that can engage audiences beyond the academic committee When a dissertation crosses my desk I usually want to grab it by its metaphorical lapels and give it a good shake You know something I would say if it could hear me Now tell it to us in language we can understand Since its publication in 2005 From Dissertation to Book has helped thousands of young academic authors get their books beyond the thesis committee and into the hands of interested publishers and general readers Now revised and updated to reflect the evolution of scholarly publishing this edition includes a new chapter arguing that the future of academic writing is in the hands of young scholars who must create work that meets the broader expectations of readers rather than the narrow requirements of academic committees At the heart of From Dissertation to Book is the idea that revising the dissertation is fundamentally a process of shifting its focus from the concerns of a narrow audience a committee or advisors to those of a broader scholarly audience that wants writing to be both informative and

engaging William Germano offers clear guidance on how to do this with advice on such topics as rethinking the table of contents taming runaway footnotes shaping chapter length and confronting the limitations of jargon alongside helpful timetables for light or heavy revision Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book that an audience will actually enjoy whether reading on a page or a screen He also acknowledges that not all dissertations can or even should become books and explores other often overlooked options such as turning them into journal articles or chapters in an edited work With clear directions engaging examples and an eye for the idiosyncrasies of academic writing he reveals to recent PhDs the secrets of careful and thoughtful revision a skill that will be truly invaluable as they add author to their curriculum vitae *Apple Vision Pro for Creators* John Ray,2024-08-22

history and one of today's most important filmmakers Lasseter's films from Luxo Jr to Toy Story and Cars 2 highlighted his gift for creating emotionally engaging characters. At the same time they helped launch computer animation as a viable commercial medium and serve as blueprints for the genre's still expanding commercial and artistic development. Richard Neupert explores Lasseter's signature aesthetic and storytelling strategies and details how he became the architect of Pixar's studio style. Neupert contends that Lasseter's accomplishments emerged from a unique blend of technical skill and artistic vision as well as a passion for working with collaborators. In addition, Neupert traces the director's career arc from the time Lasseter joined Pixar in 1984. As Neupert shows, Lasseter's ability to keep a foot in both animation and CGI allowed him to thrive in an unconventional corporate culture that valued creative interaction between colleagues. The ideas that emerged built an animation studio that updated and refined classical Hollywood storytelling practices and changed commercial animation forever.
