**Recovering Jewishness** Frederick S. Roden, 2016-02-22 Judaism and Jewish life reflect a diversity of identity after the past two centuries of modernization This work examines how the early reformers of the 19th century and their legacy into the 20th century created a livable liberal Jewish identity that allowed a reinvention of what it meant to be Jewish a process that continues today Many scholars of the modern Jewish identity focus on the ways in which the past two centuries have resulted in the loss of Jewishness through assimilation intermarriage conversion to other faiths genocide in the Holocaust

and decline in religious observance In this work author Frederick S Roden presents a decidedly different perspective that the changes in Judaism throughout the 19th and 20th centuries resulted in a malleable welcoming and expanded Jewish identity one that has benefited from intermarriage and converts to Judaism The book examines key issues in the modern definition of Jewish identity who is and is not considered a Jew and why issues of Jewish authenticity and the recent history of the debate Attention is paid to the experiences of individuals who came to Judaism from outside the tradition through marrying into Jewish families and or choosing Judaism as a religion In his consideration of the tragedy of the Holocaust the author examines how a totalitarian regime s racial policing of Jewish identity served to awaken a connection with and reconfiguration of what that Jewish identity meant for those who retrospectively realized their Jewishness in the postwar era

**One Foot on the Shore...A Spiritual Journey to the Promised Land** Diana A. Blackmon,2017-12-26 One Foot on the Shore A Spiritual Journey to the Promised Land is the real life journey of a wife and mother from North Carolina to the Promised Land of the Lord It certainly was not an easy journey Laugh and cry with her as she stumbled through the Red Sea ruts and then conquered the giants in the land Her story starts simplistically with a call on her life that took years for her to recognize but once the Lord s salvation became real to her she was overwhelmed by His supernatural grace Obedience became the hallmark of her existence Spending hours in prayer and study of God s word produced many rewards seen and unseen at the time Obedience is better than sacrifice is a reoccurring theme throughout her life as she follows Him and His guidance Through her obedience to the Lord she has reached multitudes with the Gospel of Jesus Christ with her anointed jewelry designs like her signature piece the Gospel Pin™ This piece and many of her other Christian jewelry designs were on the QVC Shopping Network for many years As she shared her heart with her southern drawl on QVC many millions were blessed to hear the gospel shared in such a unique way on a secular TV outlet

**Christianity After Auschwitz** Paul R. Carlson, EdD,2000-06-14 There is an old Jewish adage that pretty much sums up Israel s experience among the nations for the last 2 000 years Scratch a gentile the saying goes and you re sure to find an anti Semite That notion is given credence by the fact that the first two millennia of the Jewish Christian encounter culminated in the systematic slaughter of six million Jews in the heart of Christendom But Dr Paul R Carlson author of Christianity After Auschwitz is cautiously optimistic that the dawn of this new millennium may lead to Jewish Christian amity as the Church faces up to its past sins and seeks to work with the Synagogue against those demonic forces which threaten civilization itself However as Carlson illustrates the genocidal germ that gave birth to Hitler s criminal regime still flourishes among countless Christians many of whom would passionately deny they harbor any anti Semitic notions or sentiments While the book is addressed primarily to Carlson s fellow evangelicals both Jews and Christians will discover that it provides the general reader with an overview of those critical issues which scholars alone have in the past

wrestled with in the post Holocaust Jewish Christian encounter At the outset Carlson is quick to concede that the late Rabbi Joseph B Soloveitchik a scion of the great Chechnowa Rebbe was certainly correct when he insisted that Christians have never tried to penetrate the soul of the Jews They have read the Bible but neglected the oral tradition by which we interpret it he noted This makes a different Bible altogether For example says Rav Soloveitchik To equate Judaism with legalism the way Christian theologians are prone to do is like equating mathematics with a compilation of mathematical equations By the same token old stereotypes die hard The Jew has been pictured as the arch capitalist and the arch Bolshevik and chastised for being both whipsawed by contending forces says Nathan C Belth The Soviet authorities saw Jews as a threat to the state and Alexander Solzhenitsyn who castigated Soviet terror sees Jews as libertarians who brought on socialism after of course rejecting Christ Since time immemorial anti Semites have also portrayed the Jew as the greedy shady businessman or banker But they conveniently forget stories such as that of Haym Salomon 1740 1785 the Jewish broker whose financial aid staved off starvation and desertion among American troops during our War for Independence At one critical point Robert Morris the American financier and statesman sent a messenger to alert Haym Salomon of the plight of the cash strapped Colonial forces The man brought the news to Salomon while he was attending Yom Kippur services at Mikveh Israel Synagogue in Philadelphia The congregation was shocked at the intrusion on the holiest day of the Jewish year but Haym Salomon quietly informed the messenger Tell Mr Morris our country s appeal will not be in vain But that old canard about Jews and their money remains grist for the anti Semite s mill By the same token Jews have not been entirely blameless when it comes to their own stereotypes of Christians particularly evangelicals Nathan Perlmutter confessed as much during his tenure as national director of the Anti Defamation League ADL of Bnai B'rith Our image of the fundamentalist and the evangelical is a kind of collage assembled out of bits and pieces from Theodore Dreiser Sinclair Lewis and Erskine Caldwell he admitted Even after all this time memories of the great swarm of sex ridden Bible thumping caricatures continue to exert a pervasive power But evangelicals would be among the first to admit that Jews have come a long way since the days of the infamous Toledot Yeshu or Life of Jesus which depicted the Galilean in scandalous terms Indeed the Israeli author Shalom Ben Chorin is representative of those Jewish intellectuals who now believe that it is time for Jesus to come home again Meanwhile few Christians realize just how vulnerable many Jews feel in what they perceive to be Christian America That perception is heightened by the 1992 American Jewish Year Book finding that roughly 12 percent of Americans of Jewish heritage are now Christians There is another way of looking at what I have called a disaster in the making says former US Assistant Secretary of State Elliott Abrams author of Faith or Fear How Jews Can Survive in a Christian America Of the 6.8 million people who are Jews or of Jewish descent 1.1 million say they have no religion and 1.3 million have joined another religion adding up to 2.4 million Abrams observes This means that one third of the people in America of Jewish ethnic origin no longer report Judaism as their current religion Abrams italics Such statistics illustrate why Jewish leaders unanimously condemn those

Christian missionary agencies which specifically target Jews for conversion They have been particularly incensed by one recent evangelical effort known as Peace 2000 which aimed to convert every Jew in Israel to Christianity by the dawn of the new millennium Centuries of martyrdom are the price which the Jewish people has paid for survival says Brandeis scholar Marshall Sklare And the apostate at one stroke makes a mockery of Jewish history But if the convert is contemptible in Jewish eyes Sklare adds the missionary all the more the missionary of Jewish descent is seen as pernicious for he forces the Jew to relive the history of his martyrdom all the while pressing the claim that in approaching the Jew he does so out of love What kind of love is it Jews wonder that would deprive a man of his heritage Sklare asks Furthermore given the history of Christian treatment of the Jews would it not seem time at last to recognize that the Jew has paid his dues and earned the right to be protected from obliteration by Christian love as well as destruction by Christian hate The distinguished Rabbi Abraham Joshua Heschel was even more pointed about the matter I had rather enter Auschwitz he once remarked than be an object of conversion All of this leads to the opening chapter of Christianity After Auschwitz which introduces Christians to Emil Fackenheim s Eleventh Commandment or 614th Mitzvoth which decrees that Jews are not permitted to grant Hitler any posthumous victories through intermarriage assimilation or conversion to a faith not their own In a word they are commanded to remain Jews By the same token Jewish scholars are quick to recognize that any open and honest dialogue will at some point involve a frank discussion of the similarities and differences between the Jewish and Christian perceptions of the Messianic hope With that understanding the second chapter deals with the remarkable career of the late Rabbi Menachem Mendel Schneerson the seventh and last Grand Rebbe of the Chabad Lubavitch Hasidim Many of his talmidim or disciples believe he will ultimately be revealed as King Messiah His life and work are considered within the context of that of Jesus of Nazareth as well as those of several pseudo messiahs who have troubled Israel down through the centuries The author then makes it clear that Jesus himself

**My Journey Down the Reincarnation Highway** Frank Mares, 2012-11-17

My Journey down the Reincarnation Highway is the first book of the author s four book spiritual memoir series In this personal account Frank Mares details how he discovered the fact of reincarnation and explores what he did in some of his prior lives More people than you would believe have prior life memories This book tells how the author acquired psychic ability in his middle age With this new gift he recovered facts about nine of his prior lives most of which involved violent bloody deaths The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1 1944 in a dark Estonian farmhouse Not being satisfied with just discovering his past lives Mares goes on a spiritual mission to find out why he kept dying violently The answers do not come easily but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600s who surprisingly was the revered founder of a gentile noble family As part of his souls continuing quest for redemption Mares hopes to salvage the

dark time in his soul's past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again On The Path Of Spirituality T.N. **A Treasury of Jewish Inspirational Stories** Lawrence Jeffrey Epstein,1993 When we speak of God reaching out to humans it is called revelation and the human response to revelation is inspiration A Treasury of Jewish Inspirational Stories is meant to move the head and the heart to appreciate as author Lawrence J Epstein writes the effects that divine influence and guidance have had on Jewish individuals communities and history The stories he has gathered manifest the many forms of this human response As in his previous best selling volume A Treasury of Jewish Anecdotes Epstein shows us his remarkable skill of gathering tales and his talent for retelling them in a voice that speaks clearly to a contemporary audience These are not stories of purported miracles Nor are they always verifiable Some of the stories are folktales others are exaggerations Some are biographical others are snapshots from history But all have a singular theme and goal renewed faith in divine guidance or in the human capacity to do good deeds Epstein explains in his introduction that an inspirational story can affect its listener in many ways it can clarify religious ideas lead to spiritual experiences reinforce theological notions provide peace of mind give birth to motivation for spiritual action and serve as a model for living To find such stories for A Treasury of Jewish Inspirational Stories Epstein searched every corner of Jewish experience from the Bible to modern times He combed the classical literature hasidic lore and the lives of well known Jewish personalities such as Hillel Rashi and Maimonides as well as lesser known figures and ordinary individuals looking for tales that provide us with a shock of insight into eternal mysteries These stories Epstein goes on to say help us become connected to a divine process we can only dimly comprehend but one to which we react with awe and reverence A Treasury of Jewish Inspirational Stories is a fine sourcebook for what the author describes as a special kind of literature Epstein has provided us with retellings of such stories as the Exodus from Egypt Mount Sinai the receiving of the Ten Commandments the story of Esther Judah Maccabee Herzl and the rebirth of Israel the fighters of the Warsaw Ghetto over 125 stories that move the intellect and the emotions Epstein remarks that the original idea for writing a book of inspirational stories came after listening to a survivor of the

Holocaust It is his hope that A Treasury of Jewish Inspirational Stories will allow readers to search for the inspirational stories in their own lives My Journey So Far Canon Andrew White, 2015-01-27 Andrew White is something of a legend a man of great charm and energy whose personal suffering has not deflected him from his important ministry of reconciliation Andrew grew up in London the son of strongly religious parents by the age of five he could repeat the five points of Calvinism As a child and young man he was frequently ill but his considerable intelligence meant that his studies did not suffer He set his heart on becoming an anaesthetist an ambition he achieved only to be redirected by God to Anglican ministry Since ordination he has had a considerable role in the work of reconciliation both between Christian and Jew and between Shi ite and Sunni Muslim Often in danger and always in pain he has nevertheless been able to mediate between opposing extremes A man of God he is trusted by those who trust very few **The Triumph of Christ on the Cross. ... To which is prefixed an account of the early life, conversion, and call to the ministry, of the author** Edward SAMUEL (Baptist Minister), 1860 Jewish Book Annual Solomon Grayzel, 1993 Meditation, A Practical Guidebook Swami Tadatmananda, 2014-01-01 To ask What is meditation is like asking What is music No simple answer can even hope to convey the breadth and richness of this subject Meditation is a contemplative art a mental discipline and a sacred journey Meditation is a reflective practice a tranquil retreat and a joyous excursion Meditation is simultaneously an aesthetic pursuit a scientific investigation and a spiritual path You could say that meditation is a rainbow of many hues But to describe meditation with fancy words and elegant expressions is like trying to describe the flavour of a ripe peach Meditation like the peach must be experienced to be understood Words can never suffice Yet words of description and explanation are not useless Words can tell you how to select the ripest fruit from a bushel of peaches And words can tell you how to meditate leading you to develop a powerful rewarding practice This book provides practical methodical guidance for all who want to develop a powerful and rewarding practice of meditation It begins with basic principles and proceeds step by step to more advanced topics while exploring a wide range of meditation techniques Though the subject is vast attempt has been under to create a concise and user friendly guidebook **A Journey of Unconditional Love** Michele Bell, 2018-03-23 Nicky Bell diagnosed with Ewing s Sarcoma at age thirteen died five years later with his mother and best friend at his side A Journey of Unconditional Love tells Nicky and Michele s story describing the battle with cancer in great detail However this book is about more than cancer and its treatment and the fight to survive It s about more than a mother and her son who had to face his mortality at such a young age and the despair and anguish that comes in losing that fight It s about more than death This book is about life It s about how this mother and son approached the everyday moments of life despite the greater story that was playing out around them and was outside of their control It s about what each had learned from the other and the influential roles played in their life experiences It is about how it still affects the life of the one left behind It s about the depth of human spirit and the soul s ultimate survival along with what the survivor is supposed to do with that energy The connection between this mother and

her son has lived on long after his passing and it continues to be a force in this mother's life every day. The inspiration in this story comes from the millions of small everyday moments, the choices made, the words spoken, and the unconditional love that makes such a seemingly senseless experience somehow bearable. This book gives a voice to parents and loved ones, caregivers and patients, those who relate to this loss, and those who know they feel every heartbeat in this story but who also struggle to come to grips with their own experience.

**Yoga Bitch** Suzanne Morrison, 2011-08-16

What happens when a coffee drinking cigarette smoking steak eating twenty five year old atheist decides it is time to get in touch with her spiritual side? Not what you'd expect. When Suzanne Morrison decides to travel to Bali for a two month yoga retreat, she wants nothing more than to be transformed from a twenty five year old with a crippling fear of death into her enchanting yoga teacher, Indra, a woman who seems to have found it all: love, self, and God. But things don't go quite as expected. Once in Bali, she finds that her beloved yoga teacher and all of her yogamates wake up every morning to drink a large steaming mug of their own urine. Sugar is a mortal sin. Spirits inhabit kitchen appliances. And the more she tries to find her higher self, the more she faces her cynical, egomaniacal, cigarette, wine, and chocolate craving lower self. *Yoga Bitch* chronicles Suzanne's hilarious adventures and misadventures as an aspiring yogi who might be just a bit too skeptical to drink the Kool Aid. But along the way, she discovers that no spiritual effort is wasted, even if her yoga retreat doesn't turn her into the gorgeously calm, wise believer she hopes it will. It does plant seeds that continue to blossom in surprising ways over the next decade of her life.
