Speaks of Many Truths through Robert Shapiro The nature of spiritual mastery is not to be completely in control but is necessarily to not have any control The whole point of spiritual mastery is to be in concordance not in control Whatever develops as you go along moment to moment in your life you are able to act or react to it on the basis of the natural foundational love that exists between all life forms Spiritual mastery is the underpinnings of multiple ways of being and multiple ways of understanding appreciating and interacting in harmony with your world
