Sobibor, the Forgotten Revolt Thomas Toivi Blatt,1997 **Sobibor** Thomas Toivi Blatt,1995 **Sobibor, the Forgotten Revolt** Thomas Toivi Blatt,2006 Web site of Thomas Blatt a survivor of the Sobibor extermination camp and author of two books on the subject Provides information about the history of Sobibor and the prisoner led revolt of October 14 1943 [A Promise at Sobibór](#) Philip "Fiszel" Bialowitz,Joseph Bialowitz,2010-11-30 A Promise at Sobibor is the story of Fiszel Bialowitz a teenaged Polish Jew who escaped the Nazi gas chambers Between April 1942 and October 1943 about 250 000 Jews from European countries and the Soviet Union were sent to the Nazi death camp at Sobibor in occupied Poland Sobibor was not a transit camp or work camp its sole purpose was efficient mass murder On October 14 1943 approximately half of the 650 or so prisoners still alive at Sobibor undertook a daring and precisely planned revolt killing SS officers and fleeing through minefields and machine gun fire into the surrounding forests farms and towns Only about forty two of them including Fiszel are known to have survived to the end of the war Philip Fiszel Bialowitz now an American citizen tells his eyewitness story here in the real time perspective of his own boyhood from his childhood before the war and his internment in the brutal Izbica ghetto to his harrowing six months at Sobibor including his involvement in the revolt and desperate mass escape and his rescue by courageous Polish farmers He also recounts the challenges of life following the war as a teenaged displaced person and his eventual efforts as a witness to the truth of the Holocaust In 1943 the heroic leaders of the revolt at Sobibor Sasha Perchersky and Leon Feldhendler implored fellow prisoners to promise that anyone who survived would tell the story of Sobibor not just of the horrific atrocities committed there but of the courage and humanity of those who fought back Bialowitz has kept that promise **Sobibor Death Camp** Chris Webb,2017-04-25 The Sobibor Death Camp was the second extermination camp built by the Nazis as part of the secretive Operation Reinhardt with intent to carry out the mass murder of Polish Jewry Following the construction of the extermination camp at Belzec in south eastern Poland from November 1941 to March 1942 the Nazis planned a second extermination camp at Sobibor and the third and deadliest camp was built near the remote village of Treblinka Sobibor was similarly designed as the first camp in Belzec it was regarded as an overflow camp for Belzec This account of the Nazis remorseless and relentless production line of killing at the Sobibor death camp tells of one of the worst crimes in the history of mankind Chris Webb's painstakingly researched volume ranges from the survivors and the victims to the SS men who carried out the atrocities What makes this work special is the research which has been gathered on the survivors who by good fortune courage and determination survived Sobibor and built new lives for themselves new families but bore the scars of this terrible place for all of their lives Webb focuses on the victims and presents details of their lives which have been found and retells them to keep their memory alive to show they are not forgotten The cruel and barbaric murder process is described in great detail as well as the confiscation of the valuables and possessions of the unfortunate Jews who crossed the threshold of this man made hell One cannot fail to be moved by the

personal accounts of those who survived their loved ones perished in this factory of death The book covers the construction of the death camp the physical layout of the camp as remembered by both the Jewish inmates and the SS staff who served there and the personal recollections that detail the day to day experiences of the prisoners and the SS The courageous revolt by the prisoners on October 14 1943 is re told by the prisoners and the German SS with detailed accounts of the revolt and its aftermath The post war fate of the perpetrators or more precisely those that were brought to trial and information regarding the more recent history of the site itself concludes this book There is a large photographic section of rare and some unpublished photographs and documents from the author s private archive Deep Green Resistance Derrick

Jensen,Aric McBay,Lierre Keith,2011-01-04 For years Derrick Jensen has asked his audiences Do you think this culture will undergo a voluntary transformation to a sane and sustainable way of life No one ever says yes Deep Green Resistance starts where the environmental movement leaves off industrial civilization is incompatible with life Technology can t fix it and shopping no matter how green won t stop it To save this planet we need a serious resistance movement that can bring down the industrial economy Deep Green Resistance evaluates strategic options for resistance from nonviolence to guerrilla warfare and the conditions required for those options to be successful It provides an exploration of organizational structures recruitment security and target selection for both aboveground and underground action Deep Green Resistance also discusses a culture of resistance and the crucial support role that it can play Deep Green Resistance is a plan of action for anyone determined to fight for this planet and win Sasha Pechersky Selma Leydesdorff,2017-06-19 Despite leading the
