**Transformations and Crisis of Liberalism in Argentina, 1930-1955** Jorge A. Nállim, 2014-08-14 N llim chronicles the decline of liberalism in Argentina during the volatile period between two military coups the 1930 overthrow of Hip lito Yrigoyen and the deposing of Juan Per n in 1955 While historians have primarily focused on liberalism in economic or political contexts N llim instead documents a wide range of locations where liberalism was claimed and ultimately marginalized in the pursuit of individual agendas N llim shows how concepts of liberalism were espoused by various groups who invented traditions to legitimize their methods of political religious class intellectual or cultural hegemony In these deeply fractured and corrupt processes liberalism lost political favor and alienated the public These events also set the table for Peronism and stifled the future of progressive liberalism in Argentina N llim describes the main political parties of the period and deconstructs their liberal discourses He also examines major cultural institutions and shows how each attached liberalism to their cause N llim compares and contrasts the events in Argentina to those in other Latin American nations and reveals their links to international developments While critics have positioned the rhetoric of liberalism during this period as one of decadence or irrelevance N llim instead shows it to be a vital and complex factor in the metamorphosis of modern history in Argentina and Latin America as well

**Human Rights Issues and Vulnerable Groups** J. Alberto del Real Alcala, 2017-11-13 This volume covers topics related to human rights issues and problems of people who are overwhelmed by hostile situations around them and are subsequently rendered vulnerable The situations of vulnerability discussed in this book are related to suffering caused by the moral family social

economic or political conditions in which the people and the groups they belong to live Readers are guided through a discussion about rights as an instrument through which civil society and the Rule of Law try to curb or even eliminate the suffering of these people The aim of such efforts is to restore the situation of vulnerable people to a level of normality Human Rights Issues and Vulnerable Groups presents a discussion of issues surrounding several kinds of vulnerable groups minorities children gender groups persons with disabilities migrants cultural groups displaced persons victims of terrorism linguistic groups poor people people in prison and sexual minorities The book is a detailed reference for graduates and scholars in law political science sociology and social psychology The volume is also recommended for working professionals who operate with human rights groups and general readers non experts who want to understand the discourse about human rights in a holistic moral legal social economic and political framework
