## Songs For A New Creation:

**THE GOSPEL OF JOHN Original Version - Volume II** translated by James David Audlin, 2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world's greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author's spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God's will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader Song Lyrics Michel Montecrossa, 2004 The war-songs of the Prince of peace, a devotional comm. on the Psalter, by R.M. Benson Richard Meux Benson, 1901 **Life-study of Proverbs, Ecclesiastes, Song of Songs** Witness Lee, 1995 **The Christmas Canticles** George Elliott, 1922 **The Treasury of David; Containing an Original Exposition of the Book of Psalms, a Collection of Illustrative Extracts ... By the Author Of "Tales and Sketches of Christian Life" I.e. Elizabeth Charles, 1872 *Songs of Ethiopia's Tesfaye Gabbiso* Lila W. Balisky, 2018-10-19 Tesfaye Gabbiso prominent Ethiopian soloist began composing song texts and tunes as a young lad in the early 1970s during a period of social and political upheaval in Ethiopia This national ferment strengthened a creative surge among a generation of youth as the Ethiopian revolution 1974-91 was taking hold An explosion of indigenous spiritual songs was one result The indigenous song style was in contrast to the imported and translated European hymnody that had earlier been sung in Ethiopia's evangelical churches Because of his testimony both in life and song Tesfaye was imprisoned for seven years during the revolution during which time he continued to compose and sing Thus his songs reflect suffering endurance and hope in the Babylons Meantime and Zions of life experience The human voice in song rooted in the flow of the missio Dei is perhaps the greatest testimony that may be lived out whether in a prison cell or in the larger complex world A special feature of this book is the inclusion of 104 of Tesfaye's songs Cassettes 1-7 in English translation This study is valuable as a cross cultural textbook offers rich lyrics and embodies a challenge to Christian commitment in the arts

**Classic American Popular Song** David Jenness, Donald Velsey, 2014-02-04 Classic American Popular Song The Second Half Century 1950-2000 addresses the question What happened to American popular song after 1950 There are numerous books available on the so called Golden Age of popular song but none that follow the development of popular song styles in the second half of the 20th century While 1950 is seen as the end of an era the tap of popular song creation hardly ran dry after that date Many of the classic songwriters continued to work through the following decades Porter was active until 1958 Rodgers until the later 1970s Arlen until 1976 Some of the greatest lyricists of the classic era continued to do outstanding and successful work Johnny Mercer and Dorothy Fields for example continued to produce lyrics through the early 70s These works could be explained as simply the Golden Age's last stand a refusal of major figures to give in to a new reality But then how can we explain the outstanding careers of Frank Loesser Cy Coleman Jerry Herman Jerry Bock and Sheldon Harnick Fred Kander and John Ebb Jule Styne Alan Jay Lerner and Frederick Loewe and several other major figures Where did Stephen Sondheim come from For anyone interested in the development of American popular song and its survival this book

will make fascinating reading      **Church, Science, and a Rabbit: an Amiable Conflict** Charles Sigman OSL,2009-07-20

Over the last fifteen years of my ministry I have seen both the positives and negatives of technology For the most part technology has made lives better but when technology drives humanity and when science defines the human condition problems arise Science has the potential for destroying myth Myth is the thread that holds the human tapestry or narrative together One role the Church must take on is to keep science and technology in their proper place by saying No when the two overstep their limitations Currently there are no checks and balances placed upon science Science is accountable to no one but itself Humans are imperfect and thus science is imperfect In this way the Church brings meaning and purpose to religion while still affirming sciences role of making peoples physical lives better Both science and religion need a level of utilitarian mission purpose and vision The Church and science must be in a friendly adversarial relationship Conflict is good and healthy because from out of conflict comes great creativity Adversity spawns growth When science and religion are in healthy amiable conflict creativity emergesjust as the butterfly struggles to emerge from the cocoon      In many keys, 30 sermons on 30 Psalms Harry John Wilmot- Buxton,1901      Songs of Resistance R. Alan Streett,2022-11-11 Songs of Resistance Challenging Caesar and Empire examines New Testament hymns in light of their historical and cultural contexts Such a reading yields new insights Rather than finding theological truths alone one also discovers lyrics that contest and defy Rome s great tradition The early Christ followers sang songs that opposed the empire s worldview and offered an alternative vision for society These songs were a first century equivalent of modern day protest songs But instead of marching and singing in the streets believers gathered in private spaces where they lifted their voices to Jesus and retold the story of his execution as an enemy of the state and how God raised him from the dead to rule over the universe As they sang believers were emboldened to remain faithful to Christ and withstand the temptation to comply with the sociopolitical agenda of the empire
