**Sonny Liston Was a Friend of Mine** Thom Jones, 2009-11-11 The author's world encompasses dilapidated fight arenas state mental hospitals chaotic emergency rooms The inhabitants are his brilliantly etched characters who battle desperately against fate in a game of life they cannot win but dare not lose As we approach the end of the century the millennium no one writes better or more vividly than Jones does about the personal private apocalypses we all face in our darkest moments In one story a Vietnam vet a Recon Marine swims alone across the English Channel the Straits of Gibraltar the Bosphorus to maintain the edge that kept him alive in wartime that is all he now has left In another a brilliant doctor verges on a breakdown In the title story a young amateur fighter stoically endures repetitive beatings because he knows the world of boxing shields protects him from the even crueler world outside of the ring A number of these stories have appeared in different forms in the New Yorker Playboy Esquire

**Sonny Liston was a Friend of Mine** Thom Jones, 1999 A collection of stories which encompass the brittle dreams of a teenage boxer Christmas in a psychiatric ward a manic depressive adolescent's passion for the heroine of Tom Jones an unemployed man's experiments with mice and a Vietnam veteran's night time swim across the English Channel

**Night Train** Thom Jones, 2018-09-18 A posthumous and definitive collection of new and selected stories by virtuoso of the short story Esquire and National Book Award finalist Thom Jones This scorching collection from award winning author Thom Jones features his best new short fiction alongside a selection of outstanding stories from three previous books Jones's stories are full of high octane prose drunk entertainment His characters are grifters and drifters rogues and ne'er do wells would be do gooders whose human frailties usually get the better of them Some are lovable others are not but each has an indelible and irresistible voice They include Vietnam soldiers amateur boxers devoted doctors strung out advertising writers pill poppers and veterans of the psych ward and an unforgettable adolescent DJ radio host among others The stories here are excursions into a unique world that veers between abject desperation and fleeting transcendence Perhaps no other writer in recent memory could encapsulate in such short spaces the profound and the devastating the poignant and the hallucinatory with such an exquisite balance of darkness and light Jones's fiction reveals again and again the resilience and grace of characters who refuse to succumb In stories that can at once delight us with their wicked humor and sting us with their affecting pathos *Night Train*
