The Soulless One Mark L. Prophet, 1981 There are two kinds of people in this world those created by God and those created by the fallen ones The Soulless One reveals the presence of these fallen ones technologically superior but spiritually bankrupt beings who migrated to Earth thousands of years ago and subjugated a humanity entranced by their scientific wizardry Fantasy Not at all Tablets from ancient Sumer have confirmed the story of gods who used genetic engineering to create humanlike life on earth the progenitors of today s mechanization man This book strips the mask from the fallen ones and reveals their strategies their political philosophies their mechanized righteousness in church and state their materialism and their purpose to dominate the body mind and soul of the children of God The most sinister legacy of this extraterrestrial race is the programming of the psyche by a mechanization concept that destroys life s natural creative potential The author of this work is a Hungarian adept the original founder of the House of Rakoczy Those who recognize his inner attainment call him the Great Divine Director He is an ascended master the Master R who worked behind the scenes with le Comte de Saint Germain in eighteenth and nineteenth century Europe He now dwells in a world of higher consciousness beyond time and space yet he is intimately acquainted with the domination of God s people by the fallen ones The Master R reveals the strategies of these fallen ones and also how you can break free from this programming and unlock the creative spark within yourself

Editing the Soul Everett Hamner, 2017-10-02 Personal genome testing gene editing for life threatening diseases synthetic life once the stuff of science fiction twentieth and twenty first century advancements blur the lines between scientific narrative and scientific fact This examination of bioengineering in popular and literary culture shows that the influence of science on science fiction is more reciprocal than we might expect Looking closely at the work of Margaret Atwood Richard Powers and other authors as well as at film comics and serial television such as Orphan Black Everett Hamner shows how the genome age is transforming both the most commercial and the most sophisticated stories we tell about the core of human personhood As sublime technologies garner public awareness beyond the genre fiction shelves they inspire new literary categories like slipstream and shape new definitions of the human the animal the natural and the artificial In turn what we learn of bioengineering via popular and literary culture prepares the way for its official adoption or restriction and for additional representations By imagining the

connections between emergent gene testing and editing capacities and long standing conversations about freedom and determinism these stories help build a cultural zeitgeist with a sharper more balanced vision of predisposed agency A compelling exploration of the interrelationships among science popular culture and self Editing the Soul sheds vital light on what the genome age means to us and what s to come *The Builder* ,1876 Nononibiru Diabolicum, No Longer Greg Castle,2017-09-08 Nononibiru Diabolicum No Longer is a commentary on the Papal Bull Of Pope Urban VIII 1633 Prohibiting by Excommunication and death any mention of Nibiru also known as Wormwood in Bible Revelations The Black Sun in European Mystery Schools Blue Kachina to the Native Americans Shiva The Destroyer Of Worlds in the Hindu Religion The Nemesis Rogue Star System a Binary of our own sun A Red Dwarf Star with a million mile asteroid tail which enters into Perihelion Orbit with our sun every 3600 years The previous occurrence causing the Antediluvian Flood of Noah Recently identified as Planet X returning in 2012 as predicted accurately by the Aztec Calendar then exiting again in 2017 The book further touches upon the associated Biblical Theology Babylonian Demonology UFOlogy with the Nemesis System it s starmapped revolution around the Sun and Saturn Associated with Saturn Black Cube Worship and the Annunaki Nephilim Alpha Draconian Malevolent Alien life forms **Weekly World News** ,1994-08-02 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **The Office Economist** ,1940
