Souls Flight:

Flights of the Soul John J. Pilch, 2011-04-29 Reports of dreams journeys into the heavens and other alternate states of consciousness abound in the Old and New Testaments and in extrabiblical literature While some scholars have considered such reports to be simple literary devices John J Pilch a leading expert in social scientific interpretation of the Bible believes otherwise As Pilch points out anthropological research on over 400 representative cultures in the world shows that more than ninety percent of these cultures have reported such experiences routinely Factual or not he says biblical accounts of alternate consciousness are both plausible and significant because they constitute a very common real human experience in their respective cultures Drawing on insights from from anthropology cognitive neuroscience psychology and the social sciences Pilch investigates and interprets Old and New Testament accounts of dreams visions journeys into the heavens and other alternate states of consciousness within their cultural contexts The result is a fresh and intriguing take on familiar biblical events *Flights of the Soul* sheds new light on such things as these Ezekiel s prophetic visions Enoch s sky journeys Jesus transfiguration and ascension Resurrection appearances in the Gospels Paul s ecstatic vision on the road to Damascus John s heavenly journeys described in Revelation **Jalamanta** Rudolfo Anaya, 2015-06-02 A parable for our time We are in deep need of simple truths of rediscovering our ancient teachings and Jalamanta may provide that opportunity The Washington Post Book World For thirty years Fatimah has tended her herd of goats and waited for her lover to return Amado was banished after leading a revolt against the cruel despots of their village the Seventh City of the Fifth Sun He followed the teachings of the wise men and women and roamed the desert in search of knowledge When his exile finally ends he returns transformed no longer the innocent lover of Fatimah s youth but a prophet named Jalamanta or he who strips away the veils that blind the soul He brings enlightenment cures addictions and can perform miracles But Jalamanta s enemies see him as a dangerous threat to the status quo and will use any means necessary to stop him His deep wellspring of faith and compassion will not allow him to give up or give in even as he faces the greatest betrayal of all A searing indictment of tyranny oppression and human suffering Jalamanta is about the age old battle between good and evil that rages in every heart It is also a tribute to the love that is the creative force of the universe the light that can banish ignorance and fear and illuminate the darkest corners of the soul standup8 Fran Hart, 2005 **the cassini child version 1** martin agnew, 2011

Wonderfully entertaining Michael McGirr Sydney Morning Herald I am absolutely in awe of this book Hugh Mackay AO Almost everyone thinks they have one but nobody knows what it is For thousands of years the soul was an organ an entity something that was part of all of us that survived the death of the body and ventured to the underworld or to heaven or hell The soul could be saved condemned tortured bought And then mysteriously the soul disappeared The Enlightenment called it the mind And today neuroscientists demonstrate that the mind is the creation of the brain The religious soul lives on in the minds of the faithful while the secular soul means whatever you want it to mean In *The Soul A History of the Human Mind* critically acclaimed historian Paul Ham embarks on a journey that has never been attempted to restore the idea of the soul to the human story and to show how belief in and beliefs arising from the soul mind have animated and driven the history of humankind The Soul is much more than a mesmerizing narrative and uniquely accessible way of explaining our story It transforms our understanding of how history works It persuasively demonstrates that the beliefs of the soul mind are the engines of human history **Dream of a Holy Woman** Joe Tuwemi,2025-08-18

Dream of a Holy Woman is Christian meditation inspired by Saint Kateri Tekakwitha developed as a dream sequence of seven voices presented in seven dramatic monologues with historical reference incorporated into poetic dramatization intended to suggest the spiritual sense of a saint most precious e seven voices are presented speaking from the four directions of east south west and north and three more directions which may also be included in the archetypal orientation of our human being earth and sky and the sacred center following a thematic pattern based on the traditional Native American directional prayers of petitions and blessings common to the sacred traditions of many tribes Each voice provides an individual variant response to the person of St Kateri forming as a whole a composite portrait of this remarkable holy woman *Signs and Seasons of Love* F.M. Bonevento,2014-07-10
