Suspicious Deaths Around the Tees contains over sixty terrible and gruesome tales that are set in the locality including  
Barnard Castle Darlington Middlesbrough Hartlepool and many of the surrounding villages In the nineteenth century  
Victorian industrialists built their empires in the beautiful scenery and charming villages of the Tees area using the river for  
transport of the commodities that were produced Small cramped houses were built to accommodate the rising population and  
often three or more families would live in one small dwelling Many of the workers were illiterate and heavy drinkers  
Domestic violence and drunken brawls were common amongst the poorer classes Women and children were often a burden  
to the breadwinner and were held in low esteem In a period spanning 100 years from 1799 1899 these well researched  
events give an insight into the darker side of our region s history and heritage Take a journey into the darker side of your
