## **Stolen Identity The Conspiracy To Reinvent Jesus:**

**Stolen Identity** Peter Jones,2005-12 In his newest work Jones confronts the Gnostic idea of Jesus and contrasts it with the true biblical person of Jesus Through this treatise author Peter Jones shows readers that Our Savior can be personally known

**The Gospel According to Dan Brown** Jeff Dunn,Craig Bubeck,2006 Using their knowledge of how stories work Dunn and Bubeck compare the gospel stories of the Bible to Brown s myths They show that the two worldviews are worlds apart Inside jacket cover

**Walking in the Dust of Rabbi Jesus** Lois Tverberg,2012-03-06 In this ebook download of Walking in the Dust of Rabbi Jesus Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context Doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like We ll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands Our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in What wisdom can we glean from his Eastern biblical attitude toward life How can knowing Jesus within this context shed light on his teachings for us today In Walking in the Dust of Rabbi Jesus we ll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith And we ll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit Doing so will yield fresh practical insights for following our Rabbi s teachings from a Jewish point of view

**The Real Jesus Myth** Rev. Bill Musselwhite,2013-12-13 The Real Jesus Myth is what happens when a retired but still cynical journalist who is also a retired but still cynical Anglican priest decides to answer some of the questions tossed at him about the Christian Faith Many people don t know enough about the nuts and bolts of Christian belief doctrine to use an unpopular word This isn t their fault most mainline churches put social justice issues front and centre while doctrine evangelism and apologetics gather dust in the rear pews This may be one reason so many mainline churches are scrambling to stay afloat and if so why it s long past time to re-emphasize the fundamentals of the Faith The Real Jesus Myth is a fairly orthodox look at the Christian Faith centered around the Nicene Creed and bookended by comments on everything from why the bible is God s word to why orthodoxy isn t as scary as you may think It is written both for Christians and for the curious non Christian but one caution the author is an ex-columnist and police reporter not a theologian so don t expect this to read like a textbook

**The Da Vinci Codebreaker** James L. Garlow,2006-04-01 A Valuable Guide to the Errors and Omissions in the Blockbuster Novel and Film The Da Vinci Codebreaker provides answers to the questions readers most often ask about the popular novel Included are more than 400 terms people locations events and definitions including explanations that are historically and theologically correct all arranged in an easy to use dictionary style Ideal for Christians who want the facts and seekers who want more information about the claims of the novel and film

**Misquoting Truth** Timothy Paul Jones,2007-05-23 In clear concise prose Timothy

Paul Jones takes on Bart Ehrman's misleading conclusions about how we got the New Testament how the New Testament documents have been transmitted and what kind of diversity existed among early Christians *American Book Publishing Record*, 2006 Heroes and Heretics Insight for Living, Michael J. Svigel, 2006 With growing popular interest because of television movies and books unbelieving historians are teaching that the early church was filled with lost scriptures church conspiracies and even radical changes to the Bible itself Most Christians have no idea how to respond to the questions they raise This unique resource gives you a crash course on the most important people events and ideas of the earliest Christians following the New Testament period In its pages you'll discover what every believer should know about the early church and why **The Other Worldview** Peter Jones, 2015-06-24 A must read for every concerned American and especially for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone 7 Truths That Changed the World (Reasons to Believe) Kenneth R. Samples, 2012-05-01 Ideas have consequences sometimes far reaching and world changing The Christian faith contains many volatile truths that challenged and continue to challenge the cultural and religious status quo of the world This biblical historical and philosophical exploration of some of Christianity's most transformational ideas offers a unique look at how the world changed when Christ and his followers came on the scene These ideas include the resurrection Jesus as God incarnate creation out of nothing the compatibility of faith and reason justification by grace through faith humankind in God's image the greater good of suffering Pastors students and thoughtful Christians will be strengthened to face contemporary challenges to these truths and will find the confidence to impact their world for Christ
