Stolen River:

Stolen River Chris Campbell, STOLEN RIVER is a story about life in rural mid America during the late 1950 s and 1960 s This is a time of optimism and prosperity in the industrial heartland and indeed across all of America World War II has established America as the supreme power in the world and the industrial mid west is a beneficiary At the same time the seeds of the Vietnam War are being sown by the continuation of policies begun in the Eisenhower administration and embellished by John F Kennedy Brian Hunter is the unwitting victim of his family s and America s confusion about the war As a result he is confused about his own feelings and responsibilities Brian is a bright if listless youth and teenager during this period He is first devastated by the loss of his younger brother Eric for which he feels partly responsible Then his world is shattered by poor decisions that could make him an outlaw even as the American dream is placed in peril by the specter of Vietnam The story though quite different in all respects is written with the timbre of THE YEARLING and the lyricism of A RIVER RUNS THROUGH IT Stolen River, the (Ww8101) Joss Ackland,1990-10-01 The Stolen River Paul J. compilation of poems expressing the poet's thoughts, feelings, and experiences as she journeys through life. A compelling and moving journey of the mind. This compilation of poems takes us through a journey of love and lust, despair and hope. A truly magnificent collection of poems. Sarah J. Greg from Miami, FL. Inspiring. Surreal. You ever had such deep, strong feelings about something but didn't know how to express them or share them with that special one? You ever had such deep feelings which made you think it was somehow bad to be feeling them? And then sometimes we go to places in our heads and think things that are so pure and just normal to feel. Jacqueline's poems feel like my own life; they touched me in a way that was so surreal. Her poems have opened up a new path to new adventures of where the mind can go. We are free souls; let us fly and not fear. Well done, Jacqueline, who would have ever thought feeling this way was humanely possible and so inspirational, as well as uplifting. A reviewer from Toronto, Canada. *An Innocence Stolen* was the most powerful piece I read. It is so horrific and truthful. I think a lot of people can relate to this, and I like the end when God is questioned. I think when something bad like this happens in a person's life, we wonder why. It is painful to read, but a message like this needs to be heard. *Sunshine* gives people hope, and it is light and fresh and is just a feel-good piece. *A Celebration Of You* is about happiness and love to me. It is about being in love and the beauty of life that goes along with it. *If My Heart Could Speak* is also about love and happiness. It is short, sweet, and to the point. *Lost Souls* is a powerful piece about the neglect, indifferent world we live in today.
