Stone Angels:

Stone Angels Kyle O'Dell, 2017-02-24 In the beginning was recreated the heavens and the new earth This is romantic and blooming white roses at the moment of creation Her face is nirvana and the stars bring glory to her countenance as the suns and planets This is legend become myth Now is her blond hair through moments of recreation and nebular romance The lords and princes are here bowing to her grace forever in her lucidity This light in awe of it waters and streams flowing electric and saturated in her mourning light on rain in waves falling Here are spring rain poets on the nod Here are trumpets from ancient city states playing her tone Blue and green in lovely romantic gloryesque caesarian grace The writers of beyond dream the notes the sails to the beyond dream lands So here you are in her face hands eyes like strawberry fields laying down looking up at the new heavens and dream blue Fire and romantic burns looking at it Faust and also Macbeth and lords of night Beauty She is the genesis and the revelation

Fallen Angels Robin Lloyd-Jones, 2012-08-30 From the outside most of us have caught brief but shocking glimpses of the street children of South America In this collection of short stories Robin Lloyd Jones shows us vividly and authentically the view from the inside looking out We feel what it is like to be only ten years old and yet to prefer life on the street to the miseries of violence abuse and poverty in the home Exploited by the police the drug pushers the makers of snuff movies and the dealers in human spare parts tidied away when they might be a political embarrassment these children have learnt to survive like the stray dogs on the garbage dump by obeying the law of the pack Reality is a dangerous substance says a character as he offers a joint to ten year old Angel It should be taken only in small doses by the young What Robin Lloyd Jones offers us is undoubtedly a very strong and disturbing dose of reality one which cannot fail to touch the humanity of his readers What reviewers thought of the book This is an extremely interesting collection of horrifying stories about Los Gaminés the destitute and homeless children who roam and sleep in the streets of a great South American city The stories in *Fallen Angels* are terse and economical and well written A lot of would be short story writers could study them to their advantage Fred Urquhart Scottish Book Collector The importance and horror of these stories transcend art quite simply they question whether humanity has any right to enjoy this planet at all if the price for that enjoyment is the staggering amount of human suffering and death Lloyd Jones describes His commitment and empathy shows The stories are well paced well patterned too cutting from child view to adult from character to character yet interweaving a black tapestry Douglas Gifford Scottish Books e If you want to know what poverty and injustice are really like only fiction can give you the truth e says Robin Lloyd Jones In *Fallen Angels* he proves this with unsurpassed mastery A compassionate deeply moving rendition of some disturbing tales based upon reality Dr Maryanne Traylen *Resurgence Magazine*
