Ethno-analogy and the Reconstruction of Prehistoric Artefact Use and Production Martin Porr, 1999 A collection of 19 papers from a conference held in Tuebingen in 1997 on historical ethnographic and experimental approaches to the interpretation of prehistoric artefacts Cross cultural case studies from both the Old and New Worlds and a diverse range of approaches and ideas makes this a most interesting group of studies The focus is not on theoretical debates but on different ways of studying the use and production of prehistoric artefacts and their distribution Text in English with abstracts in English French and German **Plains Indian Sculpture** John Canfield Ewers, 1986 Shows examples of pipes effigies war clubs bowls spoons and whistles discusses themes and carving techniques and looks at the place of these objects in the Indians culture Amazon com *American Indians* Harvey Markowitz, 1995 Articles on a wide range of American Indian topics including personages tribes organizations historical events cultural traditions and contemporary issues **Books in Print Supplement** ,2002 **Thunder and Herds** Lawrence L Loendorf, 2016-07-22 This volume is the first summary and synthesis of the rock art of the American High Plains from Archaic times to the historic period linked to holistic archaeological research in the region The Gazelle's Dream Alison Betts, W. Paul van Pelt, 2021-12-01 Once the world s prairies grasslands steppes and tundra teemed with massive herds of game gazelle wild ass bison caribou and antelope Humans seeking to hunt these large fast moving herds devised a range of specialised traps that share many characteristics across all continents Typically consisting of guiding walls or lines of stones leading to an enclosure or trap game drives were designed for a mass killing Construction of the game drive organisation of the hunt and processing of the carcass often required group co operation and in many cases game drives have been linked to seasonal gatherings of otherwise scattered

groups who may have used these occasions not only to hunt but also for social ritual and economic activities The Gazelle s Dream Game Drives of the Old and New Worlds is the first comparative study of game drives examining this mode of hunting across three continents and a broad range of periods The book describes the hunting of bison in North America reindeer in Scandinavia antelope in Tibet and an extensive array of examples from the greater Middle East from Egypt to Armenia The Gazelle s Dream will be of value to anyone with an interest in the history of hunting and wildlife management

Encyclopedia of North Dakota Indians Donald Ricky,2001-01-01 There is a great deal of information on the native peoples of the United States which exists largely in national publications Since much of Native American history occurred before statehood there is a need for information on Native Americans of the region to fully understand the history and culture of the native peoples that occupied North Dakota and the surrounding areas The first section is contains an overview of early history of the state and region The second section contains an A to Z dictionary of tribal articles and biographies of noteworthy Native Americans that have contributed to the history of North Dakota The third section contains several selections from the classic book A Century of Dishonor which details the history of broken promises made to the tribes throughout the country during the early history of America The fourth section offers the publishers opinion on the government dealings with the Native Americans in addition to a summation of government tactics that were used to achieve the suppression of the Native Americans Great Plains Quarterly ,1985 **Women on the Plains** ,1985 Islands on the Plains Marcel Kornfeld,Alan J.
